WANTED—The Sault Ste. Marie Hospital offers
a course of instruction in general
nursing to young women between the ages of 20 and
30 years. The Hospital is now centrally located in
its new quarters. It is well equipped, and having the
marine service of this port, is especially prepared to
give a good variety of material and experience to the
student nurse. Domestic Science will be added to the
course of instruction this Fall. A small fee is allowed
each student, enough to buy necessary books and
clothes. The Hospital is organized under the laws of
the State, and grants diplomas to those who pass the
required course. For further information, address
Miss B. B. Barter, Superintendent, Sault Ste. Marie
Hospital, Sault Ste. Marie, Michigan.
