TRADE NOTES

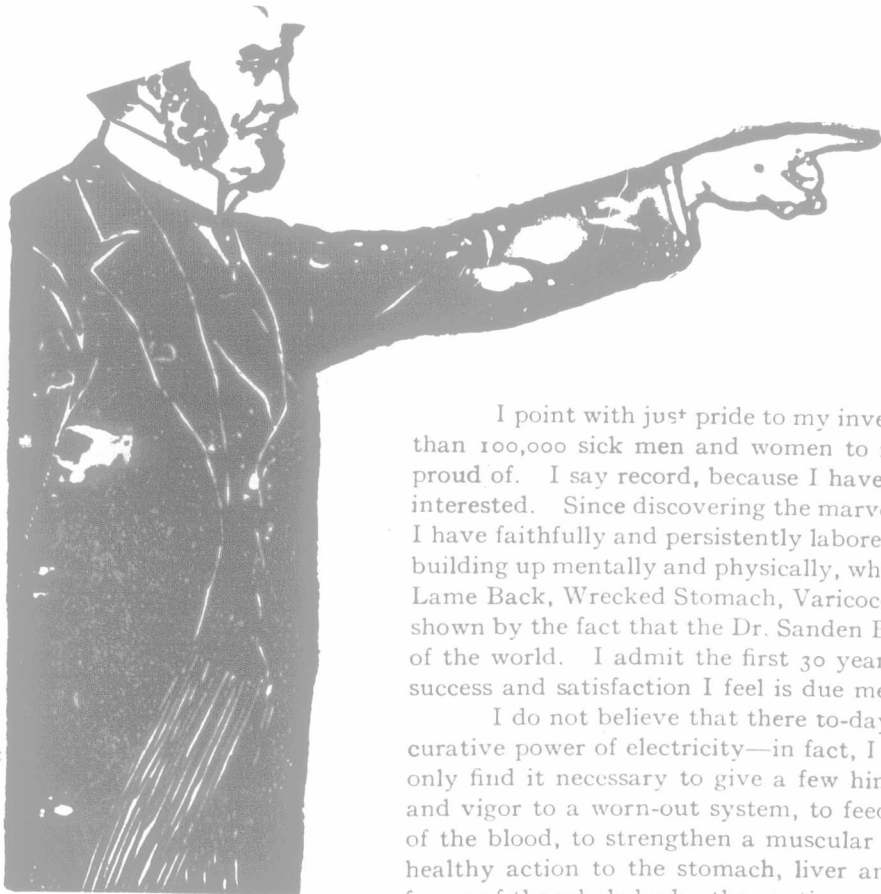

ELSEWHERE in this issue appears the advertisement of the North West Real Estate Co., of Calgary, Alberta. It is a well known fact that a great number of the world's greatest fortunes have been made from investments in real estate. It is, everything considered, the safest investment in the world to-day. Banks may break, factories burn, or commercial enterprises fail to yield a profit, but so long as farms continue to produce the food of the people so long will the man with money to invest find real estate, especially farm lands, safe and remunerative. This company has for sale over 150,000 acres in all parts of Alberta; they can supply you with farms, ranches or city property at terms and prices that will be of interest to you. Write the company to-day for their extended list. Remember the address, The North West Real Estate Co., Calgary, Alta.

Pay me when Cured

My World-famed Remedy Given on Free Trial Until Cured.

I point with just pride to my invention, which during 40 years has enabled more than 100,000 sick men and women to regain their health and vigor—a record to be proud of. I say record, because I have the proof always open to inspection for those interested. Since discovering the marvellous curing powers of electricity 40 years ago, I have faithfully and persistently labored to bring it to the notice of sufferers who need building up mentally and physically, who are troubled with Nervousness, Rheumatism, Lame Back, Wrecked Stomach, Varicocele, etc., and how well I have succeeded is best shown by the fact that the Dr. Sanden Electric Herculex is now standard in every part of the world. I admit the first 30 years was hard work, but I am now enjoying the success and satisfaction I feel is due me.

I do not believe that there to-day is a grown person who doubts the wonderful curative power of electricity—in fact, I take it for granted there is not. I, therefore, only find it necessary to give a few hints as to its application. To restore strength and vigor to a worn-out system, to feed the brain and nerves, to drive uric acid out of the blood, to strengthen a muscular center, as in lame back, to give renewed and healthy action to the stomach, liver and kidneys—in short, to really renew the life forces of the whole body, the continuous galvanic current must be used and applied in

a mild, prolonged manner, to allow the system to absorb it. The strong, harsh current applied from the ordinary battery is mostly wasted, as the system only accepts a small portion of it, just as the sudden heavy shower mostly runs off, while a gentle, prolonged rain is thoroughly absorbed. My invention does exactly as explained above. You put it on when going to bed and take it off on arising in the morning. It gives a soothing, exhilarating current you instantly feel, but not sufficient to in the least disturb you. It fills you with new life, and electrifies every nerve and drop of blood in your body. As weakness and disease is a LACK of electricity, how can you wear my Electric Herculex without receiving benefit? I know you cannot, therefore I invite you to send for it on absolute free trial.

Not a Cent to be Paid Until Cured

The price is as low as \$5.00 in many cases, and you get a discount for cash if you prefer to deal that way.

As the founder of the Electric Body-Battery system of treatment, my success is the envy of many, and my Herculex is, of course, imitated (what good thing is not?), but my great knowledge to advise and direct my patients is mine alone and cannot be imitated. I give it free to all who use my invention until the cure is complete—My Herculex is guaranteed to give a current for at least one year.

Call or send for my Electric Herculex to-day, or if you want to look into the matter further, I have two of the best little books ever written on electricity and its medical uses, which I send free, sealed, upon request.
