

## Special Notices *re* Enlargement of **British Columbia Monthly**

*To Subscribers and Friends, new and old:*

*As notified in the advertisement published in the VANCOUVER DAILY PROVINCE, your subscription dates are being duly checked, and your subscriptions shall be fully credited.*

*At the same time we earnestly request that you will kindly check your date NOW—before we have your name and address re-set at the printer's for our new mailing lists.*

### **THE SUBSCRIPTION RATES:**

*A number of subscribers have been thoughtful enough to suggest that they expect that with the enlargement of the Magazine the subscription rate will be increased. That may have to be done, and it is probable that from January next the rate will be \$2.00 per year.*

*Meantime—during the remainder of 1919—the subscription rate shall be as heretofore, \$1.50 for one year, and \$2.50 for two years.*

### **BUSINESS MEN OF B. C. and MEN INTERESTED IN B. C. BUSINESS**

*To those of you who, after seeing this Magazine, may regret that you, as leaders in your line, have not been given the option of advertising your businesses or products in this issue, we would say that before going to press with the new size, it was not possible for us to communicate with more than a few firms.*

*Those outside B. C., in the other Western Canadian Provinces, Eastern Canada, the "States," or the British Isles—we invite to communicate with us directly, re rates, etc.*

*With British Columbia as its Base, this Magazine means to justify increasingly the use of its unborrowed phrases:*
