France and Australia do not carry as high a rate of interest as Canada's tax-free Victory Bonds.

How Do I Buy Victory Bonds?

Q.—How much do Bonds of the Victory Loan cost?

A.—From \$50 to \$100,000, whatever their face value calls for. These bonds are sold at "par"; that is, their face value—100 cents on the dollar.

Q.—How can I buy the Victory Bonds?

A.—By filling out an application blank and handing it to the Victory Loan canvasser when he calls or send it to the Victory Loan headquarters in your district.

Q.—When can this application for bonds be made?

A.—At any time from October 28, 1918 to the close of business on November 12, 1918.

Q.—In what form must applications to buy a Victory Bond be made?

A.—All applications must be in the form obtainable from any Victory Loan canvasser, or from the Victory Loan headquarters in your community, or from any bank.

What Do I Get?

Q.—When I hand to the Victory Loan canvasser my application and my cheque for ten per cent. of the amount applied for, what do I receive?

A.—You will receive by post, within a few days, an official government receipt for this ten per cent. payment.

Q.—How long do I hold this receipt?

A.—Until you have paid in full for your bond. On the second and subsequent instalment due dates you make the required payment to the bank on which you drew your first instalment cheque and they will enter receipt in the space reserved for this purpose. Remember you can pay in full on any instalment due date if you so desire.

Q.—What do I receive when the official receipt records payment in full?

A.—You are then entitled to the permanent engraved bonds which will be delivered to you by the bank in exchange for your official receipt.

Q.—In what form is this bond?

A.—It is engraved on distinctive paper, used only for the money and the securities of the Dominion of Canada, in varied colors, and is signed by the Deputy Minister of Finance and one other official for the government.

When Do I Get Paid Back?

Q.—When will the money I pay for Victory Bonds be paid back to me out of the Dominion treasury?

A.—If you buy a five-year bond it will be paid on November 1, 1923; if you buy a 15-year bond it will be paid November 1, 1933.

Q.—When do I get my interest?

A.—On May 1 and November 1 of each year, during the life of the bond.

Q.—Supposing I bought a Victory Bond and then found that I needed money before those dates?

A.—You could either sell the bond or borrow money on it. Any bank, trust company, reliable bond dealer or broker will be glad to sell your bond for you at any time. Be careful, however, through whom you sell.

Q.—Why the need for care?

A.—Well, after the first Victory
