

Private Funds

invested in carefully selected Real Estate or first mortgage loans at current rate of interest. If you have funds on hand or mortgages or other securities maturing at an early date mail particulars of the amount you will have to invest, stating when your funds will be available and the nature of the investment you prefer, whether Real Estate or first mortgage. I shall mail you by return full particulars of the most suitable investment for your funds.

Many advantages by filing your application at once.

Titles thoroughly inspected and all instruments carefully examined before money is paid out.

WINNIPEG

Grain Growers have got a measure of relief from the Elevator extortions, the "MIDGET" will free them from the Flour Combine

THE "MIDGET" PATENT ROLLER FLOUR MILL

What It Is

A Complete Roller Flour Mill in one frame driven by one belt.

Floor space occupied, 10 ft. by 4 ft. Height, 6 ft. 3 in. Requires 3-horse power to drive.

Contains four pairs of Rollers and four Centrifugal Flour Dressers.

What It Does

Makes 196 to 220 pounds of flour per hour.

Produces results equal to the largest mills.

Does NOT require an experienced miller to operate.

Leaves Bran and Shorts with farmers for feed.

"A gentleman in Canada who knows the "MIDGET" and its success wherever introduced, writes me as follows: 'I know the machines are doing well in England and they ought to do better in this country, as the wheat and weather are more favorable for milling operations. . . . I should say the machine will have a great future in this country.' BEWARE of imitations, friends! C. LUNN.

This Mill with WHEAT-CLEANER, Gasoline Engine and Building, costs less than a Modern Threshing Outfit, and will run 12 months in the year and 24 hours per day

For Booklet, with full particulars and plans for installation, &c., write to

ONE OF THESE MILLS WILL SHORTLY BE OPERATING AT JASMIN, SASK.

CHAS. LUNN, JASMIN P.O., Sask.
