THE STATE OF VALUES

THE STORE OF SATISFACTION

The Leading Store

MILDMAY

This is the month of real fall, the month to purchase cold weather Merchandise. Months ago this store began making preparations for the cold season, and we're determined that every shrewd buyer will have all the reasons for buying here strongly in their favor.

Only a few weeks till Thanksgiving. This means to **all women** who have the **New Furs, New Coat, New Millinery** upon the want list, no time to lose.

To Mothers it means **New Warm Clothing** for the boys and girls, and it means to the **Men** new **Colder Weather Wear**.

No store is better ready to supply all the wants of its patrons than this—**Your Store.**

This store offers larger and better choice in all wanted things, and everything has been marked at inviting Prices.
