## LOCAL MATTERS OF INTEREST.

The suit of William Mitchell and Signora K. Mitchell, his wife, plaintiffs, and Hattie G. Melvin, administratrix of all and singular the goods, chattels and credits which were of Sarah Clark, deceased, at the time of her death, who died intestate, defendant, was settled yesterday between the parties and the case withdrawn. Bustin & French for plaintiffs and E. G. Kaye, Esq., K. C., for defendant.

The boys composing the running team of the Calais fire department have returned from St. John, where they took part in the firemen's sports, getting honorable mention in the parade and fourth place in the quarter mile race, in which 14 teams competed, Consider-ing the small amount of preparation made for the event the Calais team made a very creditable showing against the veteran organization with whom they competed, and can be counted on to land inside the money in any event in which they may participate next year. They were royally entertained by the St. John firemen and enjoyed the trip very much.-Calais correspondence of Bangor Commercial.

Yesterday afternoon on Main street a street car, slipping on the wet rails, backed down the hill and collided with a car behind. No serious damage was done, but the passengers were somewhat panic-stricken and in attempting to spring from the moving car, Mrs. R. O'Brien, of Britain street, was thrown to the pavement and stunned. The was carried into McMillan's drug store and Dr. Pratt summoned. Her injuries will probably not have any serious results.

Miss Josephine Faulkner, daughter of W. H. Faulkner, Esq., of this city, left by the Maritime yesterday morning for Sackville to take the position of matron in the hospital of the Ladies College there. Miss Faulkner is a grad-uate of Mount Allison, 1899, and took her hospital training at Hartford, Conn., and Royal Victoria, Montreal, and is no doubt well fitted for the duties of the position which she has accerted .- Moncton Times.

Willie Alley, the twelve-year-old son of Charles Alley of Metcalf street, North End, slipped on a banana peel while on his way from school vesterday at noon, and broke his leg at the knee. The accident is particularly regrettable because of the fact that the lad has been a cripple for some years to such an extent that he has been compelled to use a cane.

Mr. Taylor does not know who could have sent him the box and Detective Killen is now working

The Massey Harris Co., Ltd., will shortly remove from St. John to Moncton, which latter town will henceforth be the distributing point for the Maritime Provinces. It is felt that the transportation facilities from there are more convenient than in St. John'fo business of this company. A commodious building is being erected in Moncton and will be ready in a couple of months. By the first of Decembe company will vacate the premises now occupied on Germain street, St. John, but hereafter will conduct an agency in this city, although of course, the work now being done here will be almost wholly transferred. It is not yet known who will occupy the Germain street building when the Massey Harris people leave, but it is understood that the F. E. Williams Co. have an option on it. There is, however, said to be some objection on the part of property owners in the vicinity, who oppose the idea of the Williams concern open ing a pork packing plant there, which believe is the intention. The building is owned by Dr. Walker, of South

The Bangor News of Wednesday prints an excellent cut of O. B. Fernandez, chief of the Old Town fire department and grand marshal of the Maine division in St. John firemen's parade. In an interview Assistant Engineer J. Frank Granville says: "The time of our lives. They couldn't do too much for us. We were royally entertained from the moment we landed until we
