Terra-Nova's Honor Roll.

The following officially reported missing July 1st, are now officially believed killed in Action on that date.

(To the Editor)
Dear Sir,—I beg to enclose herewith copy of despatch No. 778, of the 6th inst., which His Excellency the Governor has received from the Secretary of State for the Colonies in relation to the men of the Newfoundland Regiment who were reported missing after the action of the 1st July last. Very exceptional efforts has been made to trace these men and, in view of the clear evidence that not one of them is a prisoner in German hands, I fear that we must assume that all these brave fellows were killed in action on the 1st July. His Excellency the Governor remarks that, of those reported missing on July 1st, one (1470 Bennett) was subsequently reported as not missing. Twenty of the original list of missing were reported on the 7th October as killed in action on the 1st July and one other on the 8th October. The remains of these have been identified by scouting parties from other regiments who have been over the scene of action. In the correspondence two men are referred to as prisoners of war. These two men, 945 Barron and 747 Combes, were lost in the night raid on the 28th June and not in the big attack on July 1st.
I shall be glad if you will kindly publish the enclosed correspondence in the columns of your paper. Direct notification in each case has already been made to the next of kin.
Yours truly,
ARTHUR MEWS,
Deputy Colonial Secretary,
Nov. 23, 1916.

SECRETARY OF STATE TO GOVERNOR.
NEWFOUNDLAND.
No. 779.
Downing Street,
November 6, 1916.
Sir,—I have the honour to transmit to you for the information of your Ministers, the accompanying copy of 22nd 161093/1218P, enclosing a correspondence with the United States

request that the German Military Authorities differentiate between the members of the Newfoundland Contingent and the Canadian units.
London, October 17th, 1916.
American Embassy,
Berlin, October 6th, 1916.
Sir,—With reference to your communication of August 23rd No. 119 A, relatives to a request that the German Military Authorities differentiate between the members of the Newfoundland Contingent and the Canadian Units, I have the honour to transmit herewith a copy of a Note Verbale from the Imperial Foreign Office, No. 111 b 36050, dated October 4th, 1916, in the premises.
I have &c.,
(Sgd.) J. C. CREW,
Charge d' Affaires ad interim,
Irwin Laughlin Esq.,
American Charge d' Affaires,
American Embassy, London.
Enclosure copy of Note Verbale No. 111 b 36050, dated October 4th, 1916, 111 b 36050 169589.

SECRETARY OF STATE TO U. S. CHARGE D' AFFAIRES
The Secretary of State for Foreign Affairs presents his compliments to the United States Charge d' Affaires, and has the honour to state that although one hundred and fifty men of the 1st Newfoundland Regiment were noted as missing after the action on the Somme on July 1-3, news has so far only been received in respect of two of them through the Canadian Red Cross Society.
The supposition suggests itself that in the returns of prisoners the men of this regiment had not been differentiated from those of the Canadian Contingent.
In these circumstances Viscount Grey would be grateful if the United States Ambassador at Berlin would be so good as to request the German military authorities to differentiate between the members of the Newfoundland Contingent and the Canadian units and to ascertain, if possible whether any other survivors of the Contingent are prisoners in German hands besides the two men referred to above who are reported to be interned at Giessen.
Foreign Office, August 2, 1916.

U. S. AMBASSADOR TO SECTY OF STATE.
The American Ambassador presents his compliments to His Majesty's Secretary of State for Foreign Affairs and has the honour to transmit herewith enclosed a copy of a letter he has received from the charge d' Affaires at Berlin dated the 8th instant, referring to Lord Grey's Note of August 2nd 161093/1218P, enclosing a copy of Note Verbale concerning the
