GIANTS EASY FOR SOUTHPAW TYLER

Boston Heaver Allowed New York Only One Hit, That a Double.

NEW YORK, Sept. 4.—Boston won an even break in their four-game series with New York when they celebrated their farewell appearance of the season at the Polo Grounds yesterday with a two to one victory over the champions. Geo. Tyler, the crack Boston left hander, held New York to one hit. McLean, pinch hitting for Mathewson, spoiled Tyler's chance for a no-hit game when he doubled to right with two out in the eighth inning. The hit drove in Murray, who had reached second on Smith's bad throw on Murray, and Snodgrass' infield out. Only two other Giants reached first base. Score: Boston 2, New York 1.

REDS DEFEAT PIRATES.

Three Fingered Brown was in Great Form For Cincinnati.

PITTSBURG, Sept. 4.—Brown pitched one of his old-time games against Pittsburgh yesterday in the Cincinnati final game of the series. He pitched three to one. Adams pitched nice ball until the seventh inning. Manager Tinker's return to the game strengthened the Reds. He had three of their ten hits off Adams. Score: Cincinnati 3, Pittsburgh 1.

PHILLIES BROKE EVEN.

Philadelphia and Brooklyn Divided the Double-Header.

BROOKLYN, Sept. 4.—Brooklyn and Philadelphia played off two postponed games yesterday and broke

even, the visitors taking the first game four to three and the Brooklyns winning their first victory in seven games by taking the second 5 to 3. The visitors batted Ueffler, Brooklyn's recruit from Grand Rapids, in timely fashion in the opening three innings. Reulbach pitched great ball in the second game, holding the Philadelphians to five hits, errors counting heavily in the three runs they scored. Scores: Philadelphia 5, Philadelphia 3.

WOOD AND LAHEY ARE VICTORIOUS

They Won El Fair Trophy Yesterday From Dufferin Rink.

T. J. Wood and W. Lahey of the Heaver Bowling Club defeated C. Cuthbertson and S. Dymond of the Dufferin Club by the score of 17 to 13 in the finals for the El Fair trophy, the second piece of silverware put up for Brantford Scotch doubles.

Sixth Round.
In the sixth round for the splendid trophy, B. J. Wade defeated A. W. Daniels on the Brantford green 14 to 12 yesterday afternoon. Wood defeated E. J. Sabbon 16 to 14 on the Heather green. Cuthbertson drew a bye.

Seventh Round.
The final game which was played on the Brantford Club green was a good one and was watched by a good gallery of spectators, who enthusiastically cheered the contestants. The contesting bowlers put up good arguments.

The score by ends:—
Wood 231031113001000100—17
Cuthbertson 000300000110111041—13

Trophy Presented.
At the conclusion of the match the winners were presented with the trophy by Mr. W. R. Turnbull on behalf of Mr. T. J. Fair of T. J. Fair and Co., the donors.

In presenting the trophy, Mr. Turnbull made a short speech suitable to the occasion, and Mr. Wood replied. Afterwards the runners-up were presented by Mr. E. C. Tench on behalf of the committee with handsome cut glass pieces and a suitable reply was made. This event brought a most successful tournament to an end. In winning the trophy, the Heavers do not obtain possession of the silverware, as it must be won by one club three times.

It is characteristic of Brantford bowlers to conduct the tournaments in an excellent manner and the tournament just brought to a close "puts another feather in the caps" of the bowlers of the Telephone Club. To conduct a tournament successfully there must be an efficient official scorer. This position was ably filled during the tournament just brought to a close by Frank Blain of the Pastime Club. Frank said he was tired. Was it any wonder?

Suing Con. Jones for Back Salaries
Former Tecumseh Players Want Arrears of Pay—Contracts for \$50 a Week.

VANCOUVER, B.C., Sept. 4.—A writ against Con Jones, the lacrosse promoter, was filed at the court house this morning by solicitors for Eric Murray, claiming \$400 arrears of salary under the latter's contract to play for Con Jones during the season of 1913 at a salary of \$50 a week. Similar action is being taken by "Mickey" Toft, "Pekkerling" Joe Gorman, Nicholas and West, the aggregate claims totaling just under \$400.

It is claimed by the players that their contracts were made for periods of twenty weeks from May 12, 1913. The salaries were promptly met until July 7, at which time Jones severed his connection with the lacrosse league, following disputes with that body. Since that time no further salaries were paid, though the players stand by him in his difficulties with the league.

ST. MARY'S PLAYERS INJURED AT GODERICH

Lavelle Sustained a Cracked Knee Cap, Then Team Walked Off Field.
GODERICH, Sept. 4.—It appears that when Goderich went to St. Mary's to play the intermediate O. A. L. A. semi-final, several of the players were ineligible, and that they forfeited both games to St. Mary's. St. Mary's arrived here yesterday for an exhibition game, but quit in the second quarter, with Goderich leading by 5 to 1. Two of the St. Mary's players were injured, Lavelle sustaining a cracked knee-cap.

As part of the million dollars so that St. Paul expects to get from the Boston Red Sox for Walter Rehg, Pitcher Charley Hall and Infielder Harold Janvry are named as so much cash in hand when they get out of the American League, which they won't.

CARRIGAN TO MANAGE RED SOX NEXT YEAR

BOSTON, Sept. 4.—That President James R. McAleer, of the world's champion Boston American League baseball club believes Manager William Carrigan capable of making the team again pennant winner, was demonstrated yesterday, when he contracted with Carrigan to continue as manager during the season of 1914. The terms of the contract were not announced, but it is understood that Carrigan received a substantial increase in salary.

Carrigan was appointed manager of the team a few months ago, following the release of "Jake" Stahl, who piloted the club to a world's championship last year.

Baseball Notes

Indianapolis last week turned the veteran Jake Gettman adrift. Manager Mike Kelly is said to be much disappointed at his showing. Did he expect him to perform "like a '35 Cobb?"

Columbus last week turned Infielder Tom Grieve over to fronton of the Ohio State League. Grieve was sold by the Hamilton Canadian League last year to Philadelphia Nationals. He was a pronounced "bloomer."

Jack Coombs, whose pitching helped to bring the world's baseball championships to Philadelphia will probably not be in the world's series next month in the event of the Athletics winning the American League pennant. After being ill all season he has been compelled to take to his bed again as the result of a severe wrenching of his side during batting practice on Labor Day. Coombs is in an enfeebled condition, and his physician said it would be out of the question for him to rally in time to take part in the series.

HUSTLERS FAVORED BY GOOD BREAKS

Leafs Were Beaten, Although Maxwell Allowed Only Two Hits.

ROCHESTER, Sept. 4.—If ever a pitcher lost a hard luck game it was Maxwell, who ascended the mound for Toronto here yesterday in the first game of the series with Rochester. Maxwell gave only two hits, but they were bunched in one inning, and three errors crowded into another scoring session enabled the Hustlers to defeat the Leafs by a score of 2 to 1.

Maxwell clearly outpitched Wilhelm, but the latter was favored by the breaks excepting in the single instance where the Leafs scored. That was in the fifth inning, when Smith misjudged Callahan's long fly in the semi-darkness and it went for a triple. Callahan scored on Schultz's sacrifice fly. Score: Rochester 2, Toronto 1.

MADE IT FOUR STRAIGHT

Providence Defeated Jersey City By the Score of 7 to 1.

PROVIDENCE, Sept. 4.—The Grays made it four straight from the Skeeters here yesterday, taking the closing game of the series 7 to 1.

Coakley, a Providence boy, and a former big leaguer, twirled for the visitors and was hit hard all the way. The Skeeters hit Laithe hard but couldn't bunch the salaries. Score: Providence 7, Jersey City 1.

ORIOLES BEAT LEADERS

Newark Failed to Bunch Their Hits Off Cottrell.

BALTIMORE, Sept. 4.—Cottrell, an ex-Mack man, had his southpaw slants working so well that he handed Harry Smith's Newark leaders a 2 to 0 whitewash in their last game of the season here yesterday. Cottrell dished up a splendid assortment to the Indians and worked brilliantly in the pitches. He allowed seven scattered hits, no two coming in one session. Bell, who was on the mound for the visitors, did pretty well, but his error in the fourth helped to lose the game. Score: Baltimore 2, Newark 0.

SMALL CROWD AT BUFFALO

Bisons Defeat Royals in a Well Played Game.

BUFFALO, Sept. 4.—The Bisons took one of the best games of the season from the Royals yesterday by a score of 4 to 1. Hanford's homer with a man on bases in the eighth, clinching the victory. There was some great fielding by both outfielders. Jackson and Truesdale starring. The smallest crowd of the year turned out for the game. Beebe pitched air-tight ball and helped his team mate to victory by his hitting. Score: Buffalo 4, Montreal 1.

CUBS WON THE FINAL

St. Louis Were Again Easy for the Chicago Cubs.

ST. LOUIS, Sept. 4.—In the last appearance for the season for the Chicago Cubs on the local diamond they had little difficulty yesterday in winning from the Cardinals by the score of 7 to 2. Chicago scored two in the opener when Zimmerman hit a home run to the centre sending Schulte in ahead of him. The Cardinals put one across in the same inning when Hugans after walking and being advanced scored on Oakes' single. Chicago had a hit test in the second, adding four runs and another in the third. Score: Chicago 7, St. Louis 2.

FORM STOCK COMPANY.

Efforts Being Made to Reorganize Guelph Club.

GUELPH, Sept. 4.—It is understood efforts are being made to organize a strong stock company to run the Maple Leaf Baseball Club next year, and the gentlemen who are behind the scheme are meeting with excellent success. President Mahoney will retain an interest in the club, but feels that he has not the time to devote to the business end of the game that it deserves. He made it very clear, however, that Guelph will have a strong team in the Canadian League again next season. Almost all of the members of the Maple Leaf Baseball Club have departed for their homes. One or two still remaining in the city, Manager Louis Cook is the only member of the team who received his release outright.

PORTER CHARLTON IS GIVEN THIRD DEGREE

Authorities Trying to Discover if Prisoner Had an Accomplice.

COMO, Sept. 4.—The preliminary interrogation of Porter Charlton, the young American, who murdered his wife in their villa on Lake Como three years ago and then put the body in a trunk which he threw into the lake, has begun here. Charlton, who it is alleged, was insane at the time he committed the crime, was examined in his cell at San Donnino jail.

During the interrogation, which was continued in the afternoon, Charlton was quite self-possessed and calm. He was most respectful towards the officials, who are quoted as saying that they have as yet observed no signs of mental deficiency. No announcement as to the result of the preliminary investigation was made, but it is known that Charlton had to undergo a severe ordeal. The judge resorted to third degree methods and will continue to do so twice a day with the object of discovering if possible, the name of the suspected accomplice who aided Charlton in carrying the trunk containing his wife's body from the villa to the lake.

In spite of the secrecy which was maintained, it is believed that the magistrate will shortly return an indictment. When this is done a day will be set for the beginning of the trial, at which Signor Camera, a noted lawyer, will appear for Charlton. One or two well known alienists will also testify for Charlton.

ROYAL WEDD

Guests Will be Limited
Account of the Small Chapel.

LONDON, Sept. 4.—The converting of the Chapel Royal, St. James', for the royal wedding October 15, is nearly complete. Careful calculation shows that it is not possible to accommodate more than 300 persons in the chapel and, indeed, 260 is regarded as the convenient number for which provision.

This means that it will not be possible for any large number of the royal circle to be invited. It is estimated that there will be only 50 members of the royal family representatives of foreign courts at the wedding and many of these will be attended by at least two each.

Crowd Will Be Large
There are then many personal friends of the bridegroom to be provided for as the official and diplomatic. Each of the members of these entitled to bring one lady with them. This will be seen that the accommodation of the chapel is likely to be taxed to its capacity, and many members of households will find themselves force debarred from being present at the actual ceremony.

Though countless applications have been made for seats in this occasion have poured into the Lord Chamberlain's department in St. James' palace all sorts of ingenious reasons for present have been brought forward to say that but very few can even be as much as considered.

The Royal Scots Gray, too, Arthur of Connaught's regiment very anxious to be allowed to aisle of the chapel upon the day of the wedding and here another difficulty presents itself. The aisle is very narrow and when lined with seats would allow little room for wedding procession.

Therefore it is feared that the tuxedo feature will have to be done and that the Scots Greys have to content themselves with mounting a guard of honor in the chapel and providing a escort for the royal bride and groom as they leave London for honeymoon.

A specially covered way is provided between the Chapel and St. James' palace and
