# THE LOVELOCK.

How to Use It Artistically to Hide a Large or Poor Ear.

Ears that are large can be made much prettier by artistic aids, and one of these is the little love lock. This is called the artist's curl, and it is always found over the ear of the artist's model. Theoretically this little lock, which is called the love lock, should fall over the ear in its own graceful little curl. But really few people have the natural ear curl. Such curl as they have is produced with the aid of art.

Too many people, in making the ear curl, all into the error of making the curl too heavy. It should be extremely light, scarcely more than a wisp of hair, and it should fall directly over the ear, with its end flying loose. There should not be over twenty-four hairs in the little love lock, which so gently caresses the rim of the ear.

The artistic beauty of the love lock lies in the way it is curled. Take the tongs, only moderately warm, and turn the little lock until every hair is securely wound in its depths. Now hold the tongs while you count sixty. Slide them out and you will find a lovely little ringlet, light, fluffy and so fine that it needs only one twirl of the comb to make it look like fur.

Those who are willing to go to a great deal of trouble will tell you that it is best to divide this little love lock, small as it is, into three, and then, with scarcely half a dozen hairs in each curl, to wind it through the tongs until a lot of delicious ringlets are made. This is poetic in the extreme, and what is more, it hides a poor ear.

# HANDKERCHIEF BAG.

It May Be Used For the Laundry or For Night Robes.

Bags are always useful around the house and there is hardly a room in which a use for one cannot be found. Bags for laundry or for putting away night robes are very pretty made of two big decorated handkerchiefs, whether these be of silk or cotton. Three of the edges are sewed together

BAG MADE OF HANDKERCHIEFS.

and that leaves an open top. Three inches below the upper edge a band is sewed inside each handkerchief and ribbons are run through these and drawn together when the bag is closed. Large bows of ribbon are very attractive when the bag is made to hang beside the bed as a holder for night robes, but fancy mercerized ropes, in pretty colors, finished with tassels, are better for laundry bags.

# Convenient Basket.

A novel and convenient basket for the busy housewife is made with a foundation of cardboard covered with any pretty flowery cretonne or muslin and is generously supplied with pockets. The four sides of the basket are shaped with rounded tops that become narrow as they approach the base, which is square. Each section is neatly and firmly covered with the material and supplied with pockets. One such basket has a big shirred pocket on one side, a rack for patterns and the like and a needlebook on the other, with smaller pockets on the remaining two, while to the inside are attached a generous pouch and various minor pockets for buttons and the like. But all these can be varied to suit individual preferences, the essential merit of the basket being that the receptacle will stand on the floor and be ever ready at hand.

# Wheat Flour For Cleaning.

The cleaning power of pure wheat flour is not so widely appreciated as it should be. Delicate white woollen things, of many kinds, can be easily and quickly cleaned by a flour bath. White woollen shawls, nice wool head draperies and even white furs and feathers can be freed of dust or grease in this way. Take a few handfuls of flour, put it in a basin and submerge the article that is to be cleaned. Rub and pat the wool for some minutes, being careful not to injure it by too vigorous handling. Now open the window and shake the flour out gently. Take a fresh handful of flour for a "rinse" and go through the same process for a moment. When shaken out after the rinse you will be delighted with the results.

# Lavender Sachets.

Lavender is one of the cleanest, sweetest perfumes in existence, and sachet bags filled with its flowers give to clothes closet or linen press a delicious, refined, old fashioned fragrance. It is a romantic odor. It is romance, sentiment crystallized—if an odor can be said to be a crystallization of anything. It never satiates or cloy, and it never goes out of fashion, because it never comes into fashion. Half a pound of dried lavender flowers, half an ounce each of extract of musk and simple benzoin and one-fourth of an ounce of all of lavender make a delicious filling for a sachet for use with bed linen.

# THE CHATHAM DAILY PLANET

# SCOURGE OF THE AGE IS KIDNEY DISEASE

# Terrible Increase in the Number of Deaths from This Ailment

# It is Common to All Classes and Conditions of People

It Creeps Stealthily into The System And Develops into Many Diseases.

Bright's Disease, Heart Disease, Diabetes, Dropsy and Rheumatism, are Among The Forms It Takes.

Dodd's Kidney Pills The One Remedy That Never Fails To Cure, No Matter How or Where It Is Found.

Of all the diseases the human body has to combat in its struggle for health, the one that is steadily growing in strength and terror is Kidney Disease. Quietly, stealthily as a serpent, it creeps on its victim till the latter is enveloped in its folds, and the greatest physician in the world has known it and helpless before it. As the last fold goes around the struggling victim and the doctor shakes his head and whispers "Bright's Disease," hope fades to nothing, and the sorrowing friends feel that death has marked their loved one for its own.

The alarming increase of this terrible disease is making it evidenced by the columns of almost every newspaper. For not among the lowly of the earth alone does it look for its victims. Statesmen, judges, eminent lawyers, and honored divines are numbered among those who in recent years have gone down to their graves with the tell marks of this dread disease upon their bodies. It is so prevalent has the disease become that a celebrated New York specialist stated recently that not one person in a hundred was free from some taint of Kidney Disease.

# WORKS IN SECRET.

It is the secrecy of Kidney Disease that makes it the more dreaded. You can fight an enemy in the open with some chance of success, but if he is lying in wait to take you at an unwary moment your chances of successfully fighting him are terribly diminished. So it is with Kidney Disease. Its first warnings are so faint as to be hardly noticeable, a slight pain in the back that is charged up to over exertion, a slight discoloration of the urine or a burning sensation while urinating that hardly attracts attention. That is all. But that means that Kidney Disease is at work gradually eating its way into your system. The pain in the back grows more severe, the urinary trouble more complicated, swellings under the eyes and of the limbs denote the coming of Dropsy, sharp shooting pains in the joints and muscles tell that Rheumatism has you in its grasp, or perhaps a day or two's illness leads to the calling of a doctor, and doctor, the terrible truth is forced upon you—Bright's Disease has got in its grasp.

# WAY OF ESCAPE.

With this silent, relentless enemy slowly but surely eating its way into prominence and making that prominence by a yearly increase in the length of its death list, the demand of the day, of the hour, is "Show us the way of escape." Nature never put mankind in a critical condition without providing a way of escape—providing mankind were wise enough to take the way provided. In this case the way of escape is a simple vegetable remedy. It has been before the people of Canada for thirteen years, and, like all the great remedies of nature, has been first received and first appreciated by the lowly in life, those known as the common people of Canada.

Is it the common people of Canada who die of Bright's Disease? No, it is the bright and shining marks, those who are stationed above the clouds of the masses. Ask the reason of this! Go to the people who are practically exempt from Kidney Disease in its worst form, and ask them. With almost a single voice they will reply: "We cure our Kidney ailments with Dodd's Kidney Pills, and I say never get a chance to develop this terrible disease that carries so many prominent men into the grave."

# ON WITH HIS WORK.

And so it is; the man who does manual labor must heal his slightest aches by his hinder him his work. When he has his kidneys cured it with Dodd's Kidney Pills, and goes on with his work; when he feels a twinge of Rheumatism he drives it out of his body with Dodd's Kidney Pills—and goes on with his work. Necessity has taught him that he cannot turn his kidneys to get rid of his pains, for he must work to live. He has not been educated to that standpoint where a prescription to cure must be written by a specialist at a cost of dollars to every letter. He may not even know that there never was a disease that took in all classes of the community but what nature provided a cure within the means of all classes of the community. What he does know is more to the point than all this. He knows that Dodd's Kidney Pills will cure all aches which he feels in his back, and he knows that Dodd's Kidney Pills will cure all aches which he feels in his back, and he knows that Dodd's Kidney Pills will cure all aches which he feels in his back.

# SOME EXCEPTIONS.

Of course, there were exceptions to every rule. Even among common people there are those who neglect the early warnings of Kidney Disease. It takes exceptions to prove the rule—but many of these exceptions prove more—they prove that no case of Kidney Disease is too far gone for Dodd's Kidney Pills to cure. Bright's Disease, Diabetes, Dropsy, Heart Disease—all the varied forms of Kidney

Disease in its advanced stages—have been met by Dodd's Kidney Pills, and never once has Canada's great Kidney Remedy had to admit defeat. From the Atlantic to the Pacific, and from the Great Lakes to Hudson Bay, Dodd's Kidney Pills are used, and wherever used they have triumphed over Kidney Disease in its every form. Thousands of Canadians are shouting their praises of the conqueror.

Just a few of those who have neglected the early symptoms, reached the more advanced stages of Kidney Disease, and found a cure in Dodd's Kidney Pills are given below. There are thousands of others. Ask in your own immediate neighborhood. You will not have to go far to meet men, women and children who have been warded off or cured the terror of the present age by using the old Canadian stand-by—Dodd's Kidney Pills.

# BRIGHT'S DISEASE CURED

Bright's Disease has invariably yielded to a treatment of Dodd's Kidney Pills, no matter how firm a hold it had secured on its victim. Possibly the most talked of case of recent date is that of Albe Maud Parker, of Shumacade, Hants Co., N. S. The full story of this case will be found in the current number of Dodd's Magazine. Herewith a short statement from the young lady's mother is appended:

Two doctors pronounced my daughter's illness Bright's Disease, and gave her up to die. Her eyelids swelled till she could hardly see; her legs from her ankles to her knees swelled. Her belt in health in health was 20 inches, when she was at her worst it was 48 inches. Then she gave up another treatment and started to take Dodd's Kidney Pills. By the time she had taken the first box I saw a change. It took a long time to bring her back to perfect health, but Dodd's Kidney Pills did it. To my daughter is in perfect health.

Mrs. T. G. Parker,  
Shumacade, Hants Co., N. S.

# DIABETES CURED.

Diabetes is another of the most fearful and fatal forms of Kidney Disease that has been cured by Dodd's Kidney Pills, and by no other medicine. Among those cured of this terrible ailment is Mr. Charles Gilchrist, for fifteen years Chief of Police of Port Hope and afterwards for twenty-two years Fishery Overseer under the Dominion Government. He makes the following statement:

I was a sufferer for ten years with Diabetes and Kidney Disorder. At times my urine was of a dark brick color, and I would suffer something awful while passing. I tried doctors and medicines, but could get no help till I tried Dodd's Kidney Pills. They have made me a new man. The citizens of Port Hope all know me, and can vouch for the above.

Chas. Gilchrist,  
Ex-Chief Coast and Fishery Overseer, Port Hope.

# HEART DISEASE CURED

Heart Disease is a result of Kidney Disorder. Bad Kidneys mean impure blood, the action of impure blood on the heart causes Heart Disease. Dodd's Kidney Pills cure it. I suffered for years with Heart Disease, Bright's Disease and Rheumatism. I was so feeble I was unable to do anything. There were three months I abandoned all medicines, and resolved to let myself die. Then I was led to try Dodd's Kidney Pills, and the good the first box did me surprised me. I have taken twenty boxes in all, and well of my Heart Disease, my Bright's Disease and my Rheumatism.

Dame Louis Provost,  
St. Magloire, Que.

# DROPSY CURED.

Dropsy, another disease caused by diseased kidneys failing to do their work and remove the surplus water from the blood, is another ailment Dodd's Kidney Pills always cure. Here is an example:

I was total wreck before I started to use Dodd's Kidney Pills. In the mornings before I got out of bed I could hardly put my feet to the floor they were so much swollen with dropsy. My arms used to swell at times so that I could not put on my coat. I had to be tapped to be relieved from my terrible pains. On the advice of a friend I started to use Dodd's Kidney Pills. Before I had finished the second box I felt much better. Seven boxes cured me completely. I don't know what it is to be sick since I used Dodd's Kidney Pills.

George Robertson,  
392 St. James St., Montreal, Que.

# RHEUMATISM CURED.

Rheumatism is named Kidney Disease, such as Lumbago, Sciatica, and Gout, are caused by uric acid in the blood. If the kidneys are put in working order they strain all the uric acid out of the blood, and the Rheumatism goes with it. Take the case of W. G. Craig, of Dresden, Ont. Here is his statement:

For eight years I was troubled with inflammatory Rheumatism. I could scarcely get around to do my duties in my store. I had some of the best doctors I could get, but nothing I tried would ever give me relief. I started using Dodd's Kidney Pills and had only taken six boxes when I was completely cured.

W. G. Craig,  
Ex-Reeve of Dresden, Ont.

# ALL KIDNEY DISEASES CURED.

These are only a few cases taken from thousands to show the efficacy of Dodd's Kidney Pills. In other forms of Kidney trouble, such as Urinary troubles, Gravel, Female Weakness, etc., Dodd's Kidney Pills have the same record. They always cure. As for pain in the back—the first symptom of Kidney trouble—ask your neighbors. You'll find the majority of them look on Pain in the Back as a danger signal, and on its first appearance safeguard themselves against this terrible fatal Kidney Disease by bringing it away with the old Canadian stand-by—Dodd's Kidney Pills.
