

TIRED MOTHERS

A nervous, irritable mother, often on the verge of hysterics, is unfit to care for children; it ruins a child's disposition and reacts upon herself. The trouble between children and their mothers too often is due to the fact that the mother has some female weakness, and she is entirely unfit to bear the strain upon her nerves that governing a child involves; it is impossible for her to do anything calmly. She cannot help it, as her condition is due to suffering and shattered nerves caused by some derangement of the uterine system with backache, headache, and all kinds of pain, and she is on the verge of nervous prostration.

When a mother finds that she cannot be calm and quiet with her children, she may be sure that her condition needs attention, and she cannot do better than to take

Lydia E. Pinkham's Vegetable Compound.

It builds up her system, strengthens her nerves, and enables her to calmly handle a disobedient child without a scene. The children will soon realize the difference, and seeing their mother quiet, will themselves become quiet.

Read what the Vice-President of the Mothers' Club at Hot Springs, Ark., says:

"DEAR MRS. PINKHAM:—Lydia E. Pinkham's Vegetable Compound will make every mother well, strong, healthy and happy. I dragged through nine years of miserable existence, worn out with pain and weariness. I then noticed a statement of a woman troubled as I was, and the wonderful results she had obtained from your Compound, and decided to try what it would do for me, and used it for three months. At the end of that time I was a different woman, and the neighbors remarked it, and my husband fell in love with me all over again. It seemed like a new existence. I had been suffering with inflammation and falling of the womb, but your medicine cured that, and built up my entire system, till I was indeed like a new woman."

Sincerely yours,
Mrs. CHAS. F. BROWER, Vice-President Mothers' Club,
31 Cedar Terrace, Hot Springs, Ark.

\$5000 FORFEIT if we cannot forthwith produce the original letters and signatures of above testimonials, which will prove their absolute genuineness.
Lydia E. Pinkham Med. Co., Lynn, Mass.

"DEAR MRS. PINKHAM:—I was married for five years and gave premature birth to two children. After that I took Lydia E. Pinkham's Vegetable Compound and it changed me from a weak, nervous woman to a strong, happy and healthy wife within seven months. Within two years a lovely little girl was born which is the pride and joy of our household. If every woman feels as grateful and happy as I do, you must have a host of friends, for every day I bless you for the light, health and happiness your Vegetable Compound has brought to my home. Sincerely your friend,
Mrs. MAE P. WHERRY, Flat 31, The Norman,
Milwaukee, Wis.

FREE MEDICAL ADVICE TO WOMEN.

EXAMINED BY THE ENGINEER

Government Official Visits and Inspects the Faulty River Embankments

Party Visit Scene in Scane's Launch Yesterday—The Engineer's Opinion

The embankment—or, as the farmers call it, the dump—along the river from near Jeannette's Creek to the Tibbury-Raleigh townline, was erected the year after the Dauphin Drainage Scheme was completed. Deben-tures were issued for the work and they are not yet paid, but unfortunately, the embankment has started to wash away and, in some places, is nearly washed through. The residents along this section of the country have observed this with alarm and they have repeatedly appealed the Government for assistance in repairing the water guard. Reeve Clayton, of Raleigh; Reeve Campbell, of Tibbury East; County Commissioner James Chinnick and James Ross interviewed the Government some months ago. Yesterday Government Engineer Sing arrived in the city and went down to inspect the work. In the party were Geo. Stephens, M. P., Capt. Fred Stone, Will Hadley, Walter Scane, James Trotter and Engineer Sing.

The party left Chatham shortly after eleven o'clock and had a pleasant run down, luncheon being enjoyed en route. The places where the artificial bank had been washed out were inspected. Mr. Sing pointed out that where the willows had been planted the bank was protected and had not been affected by the water. This was also true of the bank all along the river. The best manner in which this embankment can be permanently fixed would be to sink stone masonry to protect the embankment from the waves and then

build up the embankment to its original form. When the present embankment was made the earth was taken from the river near the shore line. The result was that the earth just slipped back into the river again.

Nelson Dauphin and Paul Trudell, two of the farmers who own land in this section, were seen. Mr. Dauphin said that there was about 2,200 acres in the Dauphin Drainage Scheme and protected by the embankments. He also pointed out that it wasn't the freights and high water which were cutting into the bank, but that the waves from the City of Chatham were causing all the trouble. The waves washed into the embankment and each day did a little damage. The dyke had been paid for under the Municipal Drainage Act and was not yet paid for. The taxes for this work were a little over a dollar an acre. Mr. Dauphin said that the farmers in this scheme could seed a little quicker than the others because they didn't have to depend on the water going down.

The Engineer completed his inspection but when he was ready to go the boat wasn't ready. The supply of fuel ran out and the farmers were all too busy to take the party to the city. They were a jolly crew, however, and made the best of it. Finally about seven o'clock relief in the form of another boat came in sight and home the party came, reaching the city about nine o'clock. There is a rumor current that the Government intend to dredge the river and put buoys all the way up so that large freight boats could run into Chatham. The skeptical ones, however, consider that there is some doubt about this ever being done.

PRAISES OUR CADETS

In his comments at the inspection of the St. Thomas C. I. Cadets the St. Thomas Journal quotes the Inspecting Officer as saying: "I am surprised at the absence of any of the school authorities or members of your School Board at the inspection. Why at Chatham and Guelph, the two cadets I have so far inspected, the greatest enthusiasm prevailed. It must be very discouraging in face of such excellent work by the boys."

Though a general way the Inspecting Officer's surprise is justified, it is only right to say had he arrived at this time expected he would have found Trustees W. R. Martin and Dr. K. McKenzie and Dr. Silcox, Inspector of Public Schools, present.

KENT BRIDGE.

Miss Ethel Bogart, of Chatham, was a guest of Miss B. Langford, the first of the week.

Frank Bone was united in marriage on Wednesday last by Rev. J. J. Noble, Louisville, to Eliza, eldest daughter of Mr. and Mrs. Wm. Campbell, of this place. Mr. and Mrs. Bone will live on their farm on Smoke St. Their many friends extend to them their best wishes for happiness and long life.

Wm. Gregory, of London, Eng., is moving into Noah Shaw's house, over the bake shop. Mr. Gregory is a brother-in-law of Rev. Frank Bone.

Dr. Booke made a quick trip to London last Wednesday.

The crown work of Mr. Boliver's oven fell in last Tuesday afternoon. This will delay Mr. Boliver's baking for a few days, although he can supply his customers with Thamesville bread.

There will be an ice cream social on the lawn of Mrs. John Langford, on Friday evening of this week, 24th inst. Luncheon from 7 to 8, followed by good program. French's orchestra will be on hand. Admission only 15 and 10 cents.

Mrs. E. J. C. Shaw is spending the week with friends in Ridgeway.

Thelma Carson Shaw is under the doctor's care.

LITTLE GIRL WAS DROWNED

Sad Fatality at Wallaceburg—Child Fell in the River and Was Not Missed.

Dragging Resulted in the Finding of the Body—Little one Was Interested in Band Excursion.

From The Planet Correspondent.

Wallaceburg, June 24.—A very sad drowning accident occurred on Wednesday evening last, when little Miss Funie, 4-year-old daughter of Mr. and Mrs. Wm. Murdock, South Side, was drowned.

It is supposed that the little girl had been interested in the Band excursion on the Winona, and while playing alone on the opposite bank had fallen into the river. Upon dragging the river the parents' and friends' worst fears were realized, as the body was soon found.

The funeral took place this afternoon at 2 o'clock, the service being conducted by Rev. Mr. Farr of the St. James Church, the little girl having been a member of that Sunday school.

When the life of Mrs. Ruff was hanging in the balance she used Dr. Pierce's Favorite Prescription and the form of health. Her experience made her the firm friend of the medicine that cured her.

Dr. Pierce's Favorite Prescription has no equal in its cures of womanly disease. It establishes regularity, dries the drains that weaken women, heals inflammation and ulceration and cures female weakness.

"Five years ago when my life was hanging in the balance, Dr. Pierce's Favorite Prescription was brought to my home," writes Mrs. Caroline Ruff, Director of German Orphan's Home, residing at 339 Rowena Street, Detroit, Mich. "I took it, and it won me back to health. Ever since that time, I have been its firm friend. We frequently have women come to our Home who are suffering with uterine troubles, inflammation, tumors and ulcerations. Our great remedy for a female trouble is Dr. Pierce's Favorite Prescription, and we have found nothing so far which would so quickly cure the disease, relieve inflammation and stop pain. It is a good friend to women."

Dr. Pierce's Medical Adviser, in paper covers, is sent free on receipt of 31 one-cent stamps to pay expense of customs and mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.
