BOARD OF TRADE

The regular monthly meeting of the Cardston Board of Trade was held in the Town Council Chambers last Tuesday evening with President Martin Woolf in the chair. The following members were in attendance: Secretary D. E. Harris, Treasurer H. A. Donovan, E. N. Barker, R. H. Baird, R. W. Pilling, Van Brown, W. Laurie, D. S. Beach, W. Straiton and O. D. Weeks. The name of G. W. McClellan was admitted to membership.

Mr. E. N. Barker reported that the Committee on Exhibits for the Dominion Fair were getting things in shape but would like some money for the purpose of gathering the exhibits for which arrangements had been made. The treasurer was authorized to issue a check for \$25.00 to apply on this account.

It was moved by Mr. Laurie and seconded by Mr. Straiton that the thanks of the Board should be tendered the Pilling Realty Company for the loan of their exhibit which had been accepted with the understanding that every precaution will be taken for its safe care and return to the said company and that the Board would place a placard on this exhibit to indicate that it had been furnished by the Pilling Realty Company provided that such was not contrary to the rules of the Dominion Exhibition.

It was moved by E. N. Barker and seconded by D. E. Harris that the exhibits at the Dominion Fair should be under the direction of the Real Estate Agents who are members of the Cardston Board of Trade and that they should be empowered to make their own arrangements for displaying this exhibit and taking care of the same during the exhibition and using their best endeavors to keep the same in good condition.

Messrs D. E. Harris, R. H. Baird and D. S. Beach were duly elected to represent the Board of Trade of Western Canada which will be held in Medicine Hat on June 18-20. W. H. Brown, O. D. Weeks and H. A. Donovan were elected alternates.

It was moved by H. A. Donovan and seconded by W. Straiton that the Board protest against the wording of a circular recently sent out by the Deputy Minister of Agriculture in which he stated that only under the most favorable conditions could even fair crops be raised in Southern Alberta as the past history of the Cardston District will show that under normal conditions cereal crops can be raised which will equal any in America. It was moved by Mr. Laurie and seconded by O. D. Weeks that the above resolution be sent to the Deputy Minister of Agriculture and also to the local press.

The meeting then adjourned.

CREAM SEPARATORS
 The accompanying picture illustrates how one buyer of a "cheap" cream separator feels over his great "bargain" and how he has arranged to punish himself for so wasting his money, time, labor and product.
 DE LAVAL CREAM SEPARATORS may cost a little more in the beginning, but they always cost less in the end. If you are thinking of buying a separator, you will never have cause to "kick" yourself if you select a DE LAVAL machine. Send for new 1908 catalogue.
