### BIJOU THEATRE.

The Hearts Selig Pictorial and War News to be shown today is one of the latest issued. It shows the Indian troops arriving in London on their way to the battlefields. It also shows the heroic rescuers at work on the steamer Hanel, which went on a reef outside of San Francisco harbor last month. The ninth reel of "The Beloved Adventurer" will be screened today. This series is full of exciting scenes and is now immensely popular in this city. Three other reels of pictures, including a Vitagraph comedy featuring Sydney Drew will make up an excellent program today.

LAWRENCE COMPANY AT THE OPERA HOUSE.  
(Continued from Page 1)

has been the theatrical sensation of the past two seasons and is now being played on the road by four high class road shows at Broadway prices. The vices, shams and temptations of modern society and the absolute disregard of all ethical standards in much of our large business interests is powerfully portrayed and no play has more forcibly driven home the truth of the moral, "The Wages of Sin is Death" than this great drama. "Fine Feathers" will have a superb cast carefully selected from the best of the Lawrence Company, such finished artists and favorites as Maude Leone, Margaret Marriott, Daisy D'Avra, All Layne, Ray Collins, Howard Russell having the leading roles.

For Wednesday evening, the last night of the engagement the attraction will be that fountain of mirth and merriment, the popular laugh producer "Over Night." This is the funniest of all Philip Bartholomae's many funny farces. Ludicrous complications crowd one upon the other and the mixture and misunderstandings of the two pair of newly weds increase, the laughter becoming almost continuous until the final curtain. Best of all the fun is clean, pure and wholesome with not a coarse or suggestive line or situation in it. The scenery of "Over Night" is unusually attractive, the last act being one of the handsomest of its type ever staged.

Tickets go on sale Friday at Hodgins Drug Store, and seats may be booked for any or all the performances, and we feel quite sure that our local playgoers will seize the opportunity of witnessing plays of such a high class interpreted by a company of such excellence as the Lawrence Stock Company.

Among the passengers from Vancouver last evening on the S.S. Princess Patricia were F. W. Dyke, Rex Cooper, J. B. Davies, Mr. and Mrs. George Vipond Jr., H. N. Freeman, Mrs. D. Taylor, Ald. Jas. Young, William Sampson, John McGregor and Hy. Shepherd.

A meeting of the Ladies Guild of St. Paul's church will be held today at 3 o'clock in the lecture room. All members are requested to attend this important meeting.

### VANCOUVERITE MADE A WORLD'S RECORD

Vancouver, Jan. 5.—William H. Gray, of this city, today established a new world's bowling record when he rolled continuously for fifteen and a half hours, during which time he rolled 120 games with an average of 180.8 and knocked down 21,680 pins. Gray's record was rolled on regulation alleys and the competition was supervised by a committee of local business men. Two other bowlers started on the endurance test with him but retired after seven hours.

### LEAGUE BOWLING GAMES RESUMED

The rush and excitement of the Christmas and New Year holidays being ended, the bowling tournament which has been in progress at the Nanaimo alleys the past two months will be resumed this week.

The games scheduled for this week are as follows:

Gas Company vs. Brumpton.  
Herald vs. Light Company.  
Hilbert vs. Gas Company.  
McRae vs. Brumpton.

The games scheduled for this week made necessary on account of the Gas Co.-Brumpton game being postponed from Dec. 16. The teams in this week's games are urged to get around as early as possible in order that the matches may be rolled before late in the week.

Individual Tournament.  
In connection with the individual tournament, two games remain to be played in the third round, viz J. J. Bennie (15) vs. D. Stover (5), and J. Piper (20) vs. F. Botley (15). These two games have hung fire for some time and are delaying the progress of the tournament, of which the draw for the semi-final is as follows:

C. Sutherland (20) vs. F. Tattrie (10); J. Bennie (15) of D. Stover (5) vs. J. Piper (20) or F. Botley (15).

### STOCK MARKET STRONG.

New York, Jan. 5.—The conflicting elements, covering of short contracts and European selling, were the primary features of today's comparatively active and strong stock market. Further settlements by the bears soon disclosed a scarcity of stocks and the foreign offerings, chiefly of United States steel were hardly large enough to affect that issue nor any of the other leaders, most of which closed under their best prices, but with a firm undertone.

### IZZET PASHA PRISONER

Petrograd, Jan. 5.—A despatch to the Bourse Gazette from Tiflis says the Russians have taken prisoner Izzet Pasha, former Turkish war minister.
