FRATERNIZED AT TORONTO

Mayor and Aldermen Forget Cares of the Day

For a Game of Ball at the Island Grounds.

Return Jollification In This City at Early Date.

Mayor McLaren and his colleagu who look after Hamilton's civic administration forgot the power question and other wornies and strife of municipal life long enough yesterday afternoon to trip to Toronto and fraternize with ayor Oliver, the aldermen and controllers of that city. It was the annual cities, an event for which Joe Thompson, Toronto's publicity commissioner, nad Ald. Tommy Church are responsible They launched it three years ago. The Iney laumoned it three years ago. The joint yesterday was the most pleasant yet. The Hamilton delegation, which included press representatives, was entertained in regal style. Arriving in Toronto at 1.30, they were met at the Union Station by the Toronto reception committee, with taxicabs, and after luncheon hustled over to the Island for the ball game, which was the feature of the outing.

club's grounds. Unfortunately, some one forgot to lock the gate after the party landed, and the audience that piled into the grand stand gave Captain Swee ney's team an attack of stage fright, a the members are not accustomed to playing ball in public. Just as the Hamilton men were recovering their paying ball in public. Just as the Hamilton men were recovering their nerve and beginning to straighten out the bends and slants served up by Jim mic Simpson, the municipal editor of the Toronto Star, Captain Church re

mie Simpson, the municipal editor of the Toronto Star, Captain Church replaced him with George Farley, a long, inzivy gentileman, who scared Captain Sweeney's men half to death with the way he heaved them over.

After Mayor Oliver had been placed in the field to watch the bases and Jesse Applegath behind the catcher, the trouble began. Mayor McLaren and Chairman Allan, of the Board of Works, who refused to play after examining the hall, became so disguisted with the slaughter in the first inning toat they left the grounds. Sensational features followed fast on each other's heels. Dr. Hopkins pulled a hard drive out of the air in startling fashion and followed this up with a Billy Bounce stunt, in which his 270 pounds collided with the ground in shocking fashion. Fred Howe did the twirling for the Hamilton team, and the Toronto men were kept busy dodging his twists. One of them hit Jimmie Simpson on the head and keeled him over. Joe Thompson distinguished himself by elimbing half way into the grand stand and capturing a foul tip. Hamilton forged ahead in the hird imping, but after that thing a foul tip. Hamilton forged ahead in the third inning, but after that things went from had to worse until, at the end of the seventh, Capt. Sweeney decided that for Hamilton's honor it as 15-11
