Colonial Secretary's Office, P. E. Island,
November 21, 1854.

SEALED TENDERS will be received at this
Office until the 27th day of February next,
(1855) from any person or persons willing to con-
tract to run, for one or three years, a good and
sufficient Steamboat, of competent power, for the
conveyance of His Majesty's Mail, twice in each week,
between Charlottetown and Pictou, and once in each
week between Charlottetown and Belvedere, from the
opening to the closing of the navigation in each year,
and on each day and hour in the week so may be
specified for that purpose by the Government.
Tenders will also be received to contract to run,
for one or three years, a good and sufficient Steam-
boat, of competent power, to carry His Majesty's
Mail, three times in each week, between Belvedere
and Charlottetown, during the like above named period in
each year, and on each day and hour as may be
specified by the Government.
Each of these Steamboats must be fitted and
provided with good accommodation and capacity for
the conveyance of Passengers and Freight; also have
sufficient competent Engineers, and be sufficiently
manned, furnished, and equipped for the performance
of the service, and be subject to the approval of
Commissioners to be appointed by the Government.

Notice to Travellers.
IT has become an established fact that accidents
will happen notwithstanding the care and atten-
tion which may be paid to the safety and convenience
of travellers. Explains what will take place, bridges
will be left open, and cars run off the track as usual.
It is well enough for the public and legislators to
caution companies to "beware," and "take
heed," yet these cautions will occur, which result
in severe contusions, broken limbs, bones,
limbs, &c.

The Mexican Mustang Liniment.
Upon such occasions, is invaluable! The won-
derful effects of its soothing and healing properties
have induced many who have tried it, to always
carry a bottle of it with them when they are travel-
ling.
Frequent tests have proven it to be efficacious in
curing Rheumatism, Piles, Scrofulous diseases, Can-
cers, Ulcers, Old Sores, Neuralgia, Toothache, Ear-
ache, &c. Also Sprain, Ring-bone, Scatches,
Cracked Heels, Chafes, Galls, &c. on Horses and
other animals. It is external in its application, and
we GUARANTEE it to cure PERMANENTLY in
every case for which we recommend it.
Many Physicians use it because they can depend
upon it—so can their patients.

Farmers and Livestock Keepers.
Say they WILL have it, and will not be satisfied
without it, after giving it a fair trial. Therefore we
say to travellers upon highways and by-ways use
this Liniment! It has become a household word,
by introduced throughout the United States, British
Possessions, and West Indies, that it is almost im-
possible to stop off the cars at any Station without
behaving the key banner of the "Mustangs."
The price is as follows:—30 cents, 50 cents, and
\$1 per bottle; the 50 cent being three times as
large as the 25 cent size, and the \$1 size nearly
three times as large as the 50 cent size, so that the
large bottles are cheapest.

Elkington & Co's. Patent
Electroplate.
HAS now been tested by the public since 1841, and
after the most severe test of wear, in the vessels
of the Royal Mail Steam Packet Company, the Pen-
insular and Oriental Company, the General Steam
Ship Company, the Pacific Steam Navigation
Company, and numerous Club Houses, Hotels, and
Private Houses, in every part of the world, con-
tinues to give the most unqualified satisfaction, sup-
plying as it does all the advantages of silver in utility
and beauty of effect; and it will be found that the
interest of money upon the cost of silver Goods for a
period of seven years, is alone sufficient to purchase
Electric Plate, and this, with the well established fact
of its extreme durability, makes it a matter of great
importance to all purchasers of such articles. It
must be evident that the wear of all articles depends
on the thickness of the deposit, and the Patentes
refer with great satisfaction to the award made by
the Royal Commission of the Great Exhibition, 1851,
of the EMERALD CLASS on COPPER PLATE, for
these productions.

A large assortment of the above Goods has just
arrived per Ship, from the manufacturers, and
is now ready for sale.

MRS. WINSLOW.
An experienced Nurse and Female Physician, presents
in the attention of Mothers, her
SOOTHING SYRUP,
For Children Teething.

For the Nervous Affections, Convulsions, Fever, In-
flammation of the Bowels, &c. that attend this period
of children, she recommends it as sure to produce the
desired effect, giving Rest to the Mother, and Relief
and Health to the Infant.

A child in Congress Street was cured by the
Soothing Syrup, of Infantile Dysentery or Diarrhoea
after being given over by the attending Physician.
Mr. Blackman and Edgington says, it has never
failed to cure the Dysentery or Diarrhoea in children
whenever used in the village. Lots of it is sold.

One parent informs me his child has suffered to an
alarming extent, with Flatulence or Wind Cholice.
Lately they have used the Soothing Syrup, and it
always effects a speedy cure.

Hundreds of like instances might be enumerated.
PROOF POSITIVE.
Messrs. CURTIS & PERKINS—Please send us
a further supply of Soothing Syrup. We are selling
large quantities of it, and from what we can learn, it
is used with uniform success, both by children and
adults, in all cases of Dysentery or Diarrhoea.

Your respectful

We cheerfully comply with the request of a
friend to insert the following letter, which was re-
ceived from a lady of the first respectability,
residing in Lowell, Mass., believing that a vast
amount of suffering may be prevented, and many
valuable lives saved, by calling the attention of moth-
ers to this valuable prescription of an old and
experienced nurse:

Dear Sir:—I am happy to be able to certify to the
efficacy of Mrs. Winslow's Soothing Syrup, and to
the truth of what it is represented to accomplish.
Having a little boy suffering greatly from teething,
who could not rest, and at night by his cries would
not permit any of the family to go to sleep, I purchased
a bottle of Soothing Syrup, in order to test the remedy,
—and when given to the boy according to the direc-
tions, its effect upon him was like magic, he soon
went to sleep, and all pain and nervousness disap-
peared. We have had no trouble with him since;
and the little fellow will pass through with comfort,
the excruciating process of teething, by the sole aid
of Mrs. Winslow's Soothing Syrup. Every mother
should possess it. It cures the health and life of her children,
should possess it.

NEUROLOGY, or SCIATIC RHEUMATISM CURED.
This may certify, that for about four years I
was seriously afflicted with a disease in the hip, which
Physicians termed Neurology, or Sciatic Rheumatism,
and resorted to various remedies without any perma-
nent relief; have been under the care of a regular
Physician for six months at a time. Last spring, I
made use of the **Cramp and Pain Killer**, prepared
by Messrs. CURTIS & PERKINS, of Bangor. It gave me
immediate relief, and I do not hesitate to say, that it
is the best article I ever used. I cheerfully recom-
mend it to all who may be afflicted with similar
complaints.

is a man of undoubted veracity and high standing in
the community.

HUNTER'S PULMONARY BALM.
Hear what the Daily Mercury of Bangor says of
Doct. Penney.
Hunter's Balm.—It is not often that we can
say anything favorable of patent medicines, as the
continuity of the system, which we are accustomed
to use, has been tested and tried their merits. But I
in regard to Hunter's Balm, put up by our fellow
citizen, Jeremiah Currie, Esq. we have the testimony
of many of our own citizens and those of neighbor-
ing towns, in its praise. The testimony
of one individual with whom the public are acquainted,
carries with it more weight than whole columns
of certificates from strangers, whose faces we never
saw, and whose certificates, for aught we know, may
have been procured by fraud. See Dr. Benjamin L.
Penney's testimony, in agent's hands, &c.

Hear the People's Press, Stonew, Me.
Hunter's Pulmonary Balm.—To those afflicted
with Coughs, Colds, Consumption, Asthma, Spitting
of Blood, and all the various affections of the Lungs,
we recommend Hunter's Pulmonary Balm. It is believed to
be the best article ever yet invented for these com-
plaints. Price 50 cts. a bottle.

INDIAN DIAPHRAGM PILLS.
For cure of Constipation, Acidity of the Stomach,
Bilious Habits, Headache, Dizziness, Heart Burning,
Flatulency, &c. Long and Live Chastity.
These Pills have effected the cure of many cases, and are
an invaluable remedy, in an especial manner for
Diapnoea. They are a mild and gentle Cathartic,
operating mostly upon the blood, cleansing and puri-
fying the system, and causing the digestive organs to
perform their appropriate duties, with regularity.

COSTIVENESS.
Habitual Constipation, if not removed in time, is a
source of more than half of the disorders and pains to
which humanity is subject. The medicine too gener-
ally used to remove it, is more harm than good; as
they weaken the peristaltic action of the bowels, and
thus aggravate instead of removing the complaint.

Also, in all Bilious Diseases, attended with Pain in
the Side and Right Shoulder Blade, with a dull,
sallow countenance. In all Diarrhoeas, Ague and
Fever, Bilious Fever and sick headaches, they are an
invaluable Remedy.

They will be found the best Family Physic in the
world, purifying the blood, restoring the appetite, and
leaving the stomach and bowels in a healthy state.
Price 25 cents per box.

For purifying the blood, we do not believe these
Pills have equal in the world.

The Great British Quartermaster,
and Blackwood's Magazine!
LEONARD SCOTT & CO. New York, continue
to re-publish the following British Periodicals,
1. The London Quarterly Review (Conservative.)
2. The Edinburgh Review (Whig.)
3. The North British Review (Free Church.)
4. The Westminster Review (Liberal.)
5. Blackwood's Edinburgh Magazine (Tory.)
The present critical state of European affairs
renders these publications unusually interesting.
They occupy a middle ground between the
heavily written news items, crude speculations and
sweeping generalizations of the daily Journal, and the
ponderous Treatise of the future Historian, written
after the living interest and excitement of the great
political events of the time shall have passed away.
It is to these Periodicals that readers must look for
the only reliable history of current events, and as
such, in addition to their well-established literary,
scientific, and theological character, we urge them
upon the consideration of the reading public.

Arrangements are made for the receipt of
very terms from the British Publishers, by which they
are able to place all our Reprints in the hands
of subscribers, about as soon as they can be furnished
with the foreign copies. Although this involves a
very large outlay on our part, we shall continue to
furnish the Periodicals at the same low rates as heretofore, viz—

For any one of the four Reviews, \$3 00
For any two of the four Reviews, 5 00
For any three of the four Reviews, 7 00
For all four of the Reviews, 9 00
For Blackwood's Magazine, 5 00
For Blackwood and the four Reviews, 10 00
Payments to be made in all cases in advance.

They can be received by Mail at a very small ad-
ditional postage.
