

VENORS BULLETIN.—After an early fall show we shall probably have a beautiful Indian Summer in the months of October, and winter will set in early in November, with an abundance of snow from the outset.

IN THE HAND ONLY COURSE of Cures for Bronchitis, with its difficult expectoration and labored breathing, the domestic properties of Robinson's Phosphate of Lime Cod Liver Oil with Lactogen Phosphate of Lime manifests itself in its healing and soothing effect upon the irritable mucous membrane of the bronchial passages; the cough quickly yields, the breathing is eased, while Nature, thus aided resists herself, and where one cannot count on the victim in the face, now hope becomes to life and health.

Prepared solely by J. H. Robinson, Pharmacist, Chemist, St. John, N. B., and for sale by Druggists and General Dealers. Price \$1.00 per bottle; six bottles for \$5.00.

Enjoy Life.—Nature gives us grandeur of mountains, glens and oceans, and thousands of means for enjoyment. We can desire no better when in perfect health, but how often do the majority of people feel like giving up disheartened, discouraged and worried out with disease, when there is no occasion for this feeling, as every sufferer can easily obtain satisfactory proof that Green's August Flower will make them as free from disease as when well. Dyspepsia and Liver Complaint is the direct cause of seventy-five per cent of such maladies.
