

It's Cheaper to Paint than Repair

YOUR house—if it is four years old or older—is worth at least 50 per cent more today than when it was built. Lumber and cement are so high that it would cost half as much again to build this year as it did in 1914. So it is obvious that either a new house or an old one is today so valuable a property that its owner must conserve it unless he is committed to a policy of wilful waste. Keep your house—and all your buildings—protected. And let your paint-protection consist of an economical paint. Use the paint that goes farthest—lasts longest.

B-H "ENGLISH" PAINT
 70% Pure White Lead
 30% Pure White Zinc
 100% Pure Paint

The kind we guarantee to possess as its important base, the above correct formula. This formula, printed on every can over our President's signature, commits us to this standard. High in cost as white lead has become, we must use as much of it as before—to use less, would necessitate the removal of the guarantee from our cans and would injure the high reputation, which these paints have acquired by reason of their superior ingredients.

Make Yourself Well and Strong

You can Improve Your Physical Condition by Keeping the Blood Pure

People with strong constitutions escape most of the minor ills that make life miserable for others. Don't you envy the friend who does not know what a headache is, whose digestion is perfect, and who sleeps soundly at night. How far do you come from this description? Have you ever made an earnest effort to strengthen your constitution to build up your system, to ward off discomfort and disease? Unless you have an organic disease it is generally possible to so improve your physical condition that perfect health will be yours. The first thing to be done is to build up your blood as poor blood is the source of physical weakness. To build up the blood Dr. Williams' Pink Pills is just the medicine you need. Every dose helps to make new blood which reaches every nerve and every part of the body, bringing color to the cheeks, brightness to the eyes, a steadiness to the hands, a good appetite and splendid energy. Thousands throughout the country whose condition once made them despair, owe their present good health to this medicine. If you are one of the weak and ailing give Dr. Williams' Pink Pills a fair trial and note the daily gain in new health and abounding vitality. Among those who have proved the truth of these statements is Mrs. Fred Goslin, R. R. No 2 Ruthven, Ont., who says:—"A few years ago I underwent an operation for a fibroid tumor. I had been ailing so long that I did not gain as the doctors said I should. I was in such a rundown condition that they said it would take me a very long time to recover. But instead of gaining, I was growing weaker, and the doctor said I must go back to the hospital. I did not want to do this, and having often heard of Dr. Williams' Pink Pills as a strength builder I decided to try them. I was greatly surprised at the help I received from them. In three months I was able to go about, and our home doctor expressed his astonishment, as he had not expected me to recover. Believing pernicious anaemia had set in, it took me about a year to recover my full strength, but ever since I have been doing my own housework, and have to give Dr. Williams' Pink Pills the praise for my present state of good health."

You can get these pills through any medicine dealer or by mail post paid, at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
