**THE NURSES' HOME**  
It is fitting at this time that the people of Northumberland County should be well informed in regard to the drive which is being conducted in the interest of extending the Miramichi Hospital, Newcastle, and building a Nurses' Home in connection with that institution.  
As in the case of all institutions of this nature, whose service is extended to suffering humanity, although accommodations seemed adequate when the Hospital was built in 1915, it has now come to the time when the Hospital growth has made it necessary to provide a children's ward in that wing of the Hospital, now occupied by the nurses. We might say further that the nurses, since being moved into their present quarters, have been, through cramped space, subjected to much discomfort, and it is of the utmost importance that the nurses be given those comforts which will insure greater efficiency in their work, and also help to bring to this Institution a class of student nurses who will bring honor to the Hospital.

Arguments may be advanced that the sum asked, namely \$35,000 is too large to be put into a Nurses' Home, but we would remind our people that to serve this generation and also the next generation we must build for permanency.

Let us think on these things and may our offerings be generous the week of July 15-22.

The object is a worthy one and demands the support of every red-blooded citizen in our county.

Do we stop to think that the Miramichi Hospital, through prompt medical treatment has saved the lives of many people in our County, which in a great many cases would not be possible if the patients had to go to outside hospitals for treatment.

**CASH-IN-ADVANCE TALK**  
We wish every subscriber thought enough of this paper to pay his or her subscription strictly in advance. Many of them do, but some do

not. We think a great deal of our subscribers. There is nothing within the bounds of reason we would not do for them. But some thoughtless souls overlook some facts concerning this paper which we now bring to their attention.

Subscriptions do not sustain this paper. It takes lots of advertising to make up the deficit between the cost of running this paper, and the subscription revenue.

It costs money, time and effort to secure subscribers and keep them renewed. That cost must be passed on to subscribers and advertisers. The losses in the business must be absorbed by the profits, if there are any.

Certain credit arrangements are essentially necessary in any business. We have been pleased to extend reasonable credit on subscriptions to subscribers who needed credit. But we cannot believe that all who accept credit really need it. Certainly credit should not be considered for an indefinite period.

Our subscription is a permanent asset of this paper. Many subscribers have been listed for years and years. They are like old friends to a publisher. If we had to go out and renew every subscriber our subscription costs would be prohibitive. We are striving to furnish a high class publication at lowest cost. Your co-operation in the matter of subscription payments is earnestly requested.

**PRESENTATION**  
A very pleasant event took place at the home of Benjamin McTavish, Whitneyville, on Saturday evening when a large number of friends of his daughter, Miss Bertha McTavish, gathered to honor her on her seventeenth birthday. Miss McTavish, the efficient organist in the Presbyterian Church, was presented on behalf of the congregation with a well filled purse. The presentation was made by Mrs. Chas. McKay, and was accompanied by an address which was read by Rev. W. McN. Matthews of Millerton, who was also present and paid a tribute to the excellent services rendered by Miss McTavish. The evening was very pleasantly spent in games and music.

## GIRLS AND WOMEN HELD BY ANAEMIA

Rich, Red Blood Needed to Restore Their Health

There are thousands of growing girls and women held in the deadly clutches of anaemia. Slowly but surely a deadly pallor settles on their cheeks; their eyes grow dull; their step languid; their appetite fickle. Daily they are losing their vitality and brightness. Pains in the side, headaches and backaches follow, and life seems to be scarcely worth living. What is needed in cases of this kind is new, rich red blood which will bring back to weak, ailing girls and women the charm and brightness of perfect health. To obtain this new, rich blood try Dr. Williams' Pink Pills. Their action is directly upon the blood; they supply the elements necessary to make it rich and red, and in this way they bring back the glow of health to the cheeks; brightness to the eyes, and a lightness to the step. Among those who have found benefit through the use of Dr. Williams' Pink Pills is Miss Emma J. Johnston, R.R. No 1, Chilton, Ont., who says:—"In the spring of 1921 I felt weak and very much run down. It was with difficulty I forced myself to work at all. I had headaches, was very pale and felt constantly tired. In our local paper I ran across the testimonial of a lady who told of the benefit had from using Dr. Williams' Pink Pills, and I decided to give them a trial. Very soon I felt a change for the better, and by the time I had taken five boxes I felt like a new person. The tired, worn out feeling had vanished and I could go about my work from morning 'till night without any difficulty. I certainly cannot speak too highly of Dr. Williams' Pink Pills and when I meet anyone weak and run-down I strongly advise them to give these pills a trial."

You can get these pills through any medicine dealer or by mail at 50 cents a box from the Dr. Williams' Medicine Co., Brockville Ont.

## Nurses for Training

ARE IN

## GREAT DEMAND

The recovery of the sick depends largely upon the proficiency and well being of the NURSING STAFF. We must be in a position to offer the very best facilities to would-be nurses in Northumberland County.

### If You Were Ever an Hospital Patient

You will appreciate what the nurses did for you. You will be given an opportunity during the week of JULY 15-22 to show your appreciation in a tangible manner

### It is Necessary, Expedient and Pressing

That a NURSES HOME, in connection with the MIRAMICHI HOSPITAL be built at once, to provide suitable quarters for the nurses, and incidentally make room for a CHILDREN'S WARD in the Hospital.

### There is no Part of the County

That has not had occasion to send its sick to the Miramichi Hospital. The very first patient admitted came from the Parish of Blissfield.

### Every Part of the County

Will be asked to assist in making the MIRAMICHI HOSPITAL NURSES HOME project a success. By willing co-operation Northumberland County can supply the present need.

### GIVE till it Hurts You and Then Keep on GIVING
