

What Austria Needs

News from Vienna records luxury and extravagance in the streets of the capital that was for years the gayest in Europe now chequered by jowl with poverty and want.

Today thousands of dollars are being collected by generous-hearted citizens in the United States for the "Save the Children Fund." Yet what Austria wants today is not a charitable dole, but an opportunity for the parents of the starving children to earn the money that will keep the little ones in reasonable comfort.

Germany Must Pay

Paris, Jan. 29.—The Allied Supreme Council today approved the German reparations plan drafted by its special committee last night.

Germany would be required to pay 226,000,000,000 gold marks in forty-two annual instalments under the plan submitted to the Supreme Allied Council today by the committee charged on Thursday with the formulation of a reparations plan which would meet the sharply divergent views of the Allied leaders.

Open Senate Fight

Washington, Jan. 27.—The Senate fight over the emergency tariff bill was out in the open today and had become a question of strategy with its Democratic opponents.

While Senator Penrose, Pennsylvania, and other Republican leaders were pushing for a vote, Democrats were considering two courses.

One was to adopt Senator Pat Harrison's filibuster, now on its eleventh day, as a party movement. The other was to aid the Republicans in getting a vote and then put on them the responsibility for results of the measure, which, its friends and foes agree, will be to raise prices.

The Tariff bill was still before the Senate when it met today as a result of Penrose's strategy in forcing a recess instead of an adjournment yesterday.

or quit, according to wishes of his party leaders.

Penrose said: "We are entitled to a vote. I believe we will get it. Anyway we smoked out the opposition and proved there is a filibuster."

Harrison said: "It will be easy to prevent a vote on the bill this session now. The danger point is passed. I will be a good soldier and do as the best interests of the country demand. At present, I have much more to say concerning the bill than I have said thus far."

Thirty-six Philipinos, mostly women and children were drowned in the wrecking of the three-masted coastwise schooner Pilicid, blown ashore and pounded to pieces in a furious storm at the mouth of the Agno river, province of Pangasinan, according to advices recently received at Manila.

Look. Read. Realize! We cater to the men's trade, and no other. If you were sick you wouldn't call to see a Tailor, or a Blacksmith, about the condition of your health. Of course not; you would call to see a Doctor. If you wanted a Suit or an Overcoat you would go to see a Doctor, or a Shoemaker? Not at all. You would go to see a First Class Tailor. WELL, there's where we shine!!! We study the business. We know what suits a young man we know what suits a middle-aged man, and we know what suits the old gentleman—both in goods and in style. It does not make any difference whether you want your clothes Ready-to-Wear, or Made-to-Order. We are equally in a position to suit you. We do not let a suit or overcoat leave our establishment until it suits and fits the man who is buying. Our prices are always right when you take the quality into consideration. Do not forget that we are sole agents for the famous W H Leishman & Co., Wholesale Custom Tailors. We have an elegant stock of Overcoats to show you at the present time.
