Sheppardton.

On Wednesday last week some tall threshing was done on the farm of Geo. Graham by George Burrows' machine.

The grain dropped at the rate of six Detroit last week to visit his daughter, bushels per minute. Can Leeburn or who is ill. Her many friends will be Dunlop beat this record.

Lucknow.

On Monday evening last, Alex. Find-later, jeweller, of this place, committed suicide by taking arsenic. He lingered from 9 o'clock until 5 next morning, and suffered terrible agonies. He had been drinking lately, and had some domestic

Colborne.

Quarterly meeting will be held at Zion church on Oct. 26th at 10:30 a.m. Temperance sermons will be preached on Oct. 19th at Benmiller at 10:30 a.m.; Ziou church at 2 p.m.; Ball's church at

The recent rains have made Butter nut row rather impassible for driving new buggies, and probably this is one of the reasons that led Sam. Potter to enlist, not in the red coats, but in the interest in the estate will amount to Benedicts, on the 1st inst. The happy event came off at the residence of Sam'l Morris. The bride, Miss Nellie Morris, was for some time a member of the Lee- look after it, burn Presbyterian choir. Jas. Morris was bestman and Miss C. Potter was bridesmaid.

Benmiller.

R. Hamlen has been re-engaged at a higher salary to teach in school section No. 4, Colborne. He will now receive \$425, the highest sum yet raid a teacher

This portion of Colborne will poll a large majority for the Scott Act.

Norman Kernigham left last week to spend the session at the Guelph Agricul-

SCOTT ACT MEETING. - A meeting of the electors will be addressed by Thos. McGillicuddy, of Goderich, on the question of the Scott Act, in the church (late M. E.) Benmiller, on Friday evening next, the 17th inst, beginning at half past seven. Ladies are invited. Time will be given an opposition speaker. Let there be a grand rally of the friends of temperance.

Ashfield.

Mrs. Ford, milliner and dressmaker, Kintail, begs to announce that she has recently added to her stock of fancy and other goods, and is prepared to furnish the ladies of the section with the latest styles and shapes in millinery of all kinds. Dressmaking is also carefully attended to by experienced workwomen. Charges moderate. 1961-11

1680.—From one grain of the Egyptian oats, W. J. Hayden counted out this number of n yield, Mr. H. would like to know if any one else can beat this record.

The Toronto self-binder purchased by William Doherty, boundary line, near Sheppardton, has turned out quite a labourer in his Master's vineyard. ess, cutting over 70 acres of grain. The barley sheaves which are generally hardest to bind by hand were tied firmer with the cord than by the straw, and cutting peas and oats grown together was a complete success, binding it into sheaves and throwing them in a line easy for shocking. The machine ran like a charm, cutting five feet and turning the corner with case; one team doing the work all through the season, and never tiring. A boy ten years old could manage it. The bundle carrier is one of the most valuable improvements on it. The following farmers have seen it work: James Scott, N. Doherty, W. J. Hay-den, James Gordon, Geo. Thurlow, W. Brindley, and others, and say it is one of the best and most improved machines. Mr. D. has had over forty years' experience on his farm, and said that it was the best invention made yet for saving dially invited to examine our grand dislabor on a farm.

Loeburn.

Accident, — An accident happened to a little girl of K. Morris', Colborne, last Saturday. The chi'd and her brother were see sawing on a board, when the girl suddenly fell off and broke her arm.

SICKNESS. - Mrs. Dulinage, Lake Shore,

is very ill at present. Miss Charlotte McAllister, formerly of this place, but now living in Detroit, is also in a very

Since the union the Bible Christian church has been closed up, a few days ago the building was sold to Geo. Hillier, who intends using it for a stable.

LEFT Us.-Last Wednesday W. H. Clutton left; for Toronto to attend medi-cal college for the ensuing term. He will be much missed by his many friends, especially the ladies.

by brother Peter Stewart, ably supported by sisters Jefferson and E. Horton, which encided rounds of appliause from the audience. Mr. Gavin Clutton personated a Dutchman to perfection in the mayor for assistance, and was allowed recitations were also given in good style by brothers. The chairman, S. B. Williams, at the close made some observations on the coming Scott Act contest, and suggested that an effort should be made to have a public meeting held at Leeburn, so that both sides might be discussed, which elicited rounds of applause from the audience. Mr. Gavin Clutton

Dunlop.

R. S. A. Haldane, of Toronto is the guest of R. B. H. Williams who is ill. Her many friends will be

glad to learn she is recovering.

At a recent threshing, a setting hen was found by R. Gillean in the heart of a mow of wheat, which had been put in seven weeks ago. The hen and chickens were found alive and were brought to the heart to be the recent that the seven to be the house to be taken care of.

All the teachers in Blyth school have been re-engaged, which is satisfactory evidence that they are doing their duty.

A Parisian once remarked to Longfellow that there was one American word that he never could understand or find in any dictionary, "What is it?" in any dictionary, "What is it?" in any dictionary, "What is it?" inquired the poet, "Thatldo," was the reply. Presently a servant came in to replenish the fire. After putting on a little fuel. Longfellow remarked to him. "That will do." "Ha!" exclaimed the Frenchman, "that is the very word which has troubled me.

It says little for the ingenuity of the occurred to them to quote Matthew Arnold's lecture upon "Numbers" in explanation of their defeat in Halton. The apostle of sweetness and light has de-

much. - World. The Halton News offers the following excellent bit of advice: — "All those counties now agitating for the adoption the great need for thorough organization. Good, reliable ward committees are a necessity, as well as a general county or-ganizing agent whose duty it will be to supervise the whole work. Get a good man for this position, pay him liberally, and the result will be what you desire."

Through the mediation of Queen Victoria and the Prince of Wales, a com-promise upon the Franchise and Redistribution Bills is being arranged by Gladstone and Salisbury. The conditions proposed are that the Government shall submit the Redistribution Bill to Parliament at the autumn sessions, Salis bury agreeing to have the Franchise Bill passed if the Redistribution scheme proves acceptable to the Tories. The Lords are to have no control of the Redistribution until after the Franchise

Bill becomes law.

A mantle scarf that is pretty enough for a cottage is made of a straight length ecru linen with threads drawn out vertically and horizontally, forming squares which were covered with a star or daisy worked in colored silk. Very narrow which is roughly and the star or daisy worked in colored silk. Very narrow with the star or daisy with the star or daisy with the star or daisy worked in colored silk. Very narrow is roughly star or daisy with the star or daisy Bill becomes law. ribbon is run in and out of the precarious state.

Crops.—The beautiful weather and the refreshing showers have made wonderful changes in the appearance of the fall wheat.
