CHOLERA HOSPITAL IS ATTACKED BY ITALIANS

Ignorant People of Lucee Stampeded by Cholera Epidemic Believe That Doctors are Spreading in Place of Checking Disease.

Chiasso, Switzerland, Sept. 13.—The nolera plague is spreading and the death toll will undoubtedly reach thousands. The general belief of the people now is that the doctors inocuate cholera stricken persons poison and claim it is this and not the malady which is causing the heavy death list. The people are up in arms and Italian troops have been or-

While the municipal council of Luc ce was in session discussing measures for combatting the cholera, thousands of demonstrators howling "Death," 'Death," gathered about the city hall

F. Johnston, W. H. Cotton (Nation-alist.) The mob then moved towards the holera hospital, keeping up a running fight with the police, who were unable to stop the marching crowds. They charged the hospital over throwing the barricades erected rainst them.

Next they started to fire the build

ings and smashed in the doors with one doctor was hurt as he was sliding down, by a stone hurled by one of the When the rioters entered the hospi

tal several of the wards were already afire, while cholera victims were dying on their cots. Two women po tients, left in the flaming wards, were incinerated. The rioters caught hold of the beds and carried the patients The police force was augmented b troops and a charge on the mob was then made, forty-five arrests taking place. They included nine women Medical authorities assert that the proceedings are likely to still further

that citizens will be ordered to re-main constantly at home until the epidemic has abated. BIG STORMS IN SWITZERLAND.

Tropical Rain and Violent Hailstorn do Much Damage. Geneva, Sept. 13-Tropical rain has been falling for ten hours, and violent hail storms have devastated the pirk vines around Lakes Lugano. Co--

and Neuchatel. The telephone tween Basle and Paris is interrupted Three mountain fires, which had Been raging for several days, were extinguished, and the temperature dropped nine degrees. Trains arriving here are covered with hailstones. There had been no rain since the end of June.

At the cemetery at Varese the lightjured ten persons.

Bombay, Sept. 13-A native conveytracted the attention of some armed villagers, and the assailants took flight, after wounding the passenger. On the following day some armed nilitary police rounded up a number of outlaws. Seventy-live men of the ed to turn up at her boarding house Fourteenth Lancers had been do-here, and then it was found that only one scholar had appeared for lessons

It is believed that they are concerned in the kidnapping affair. One man of the border military police was

Etna on Rampage Again.

Catania, Italy, Sept. 12-Activity of which were apandoned today. The Mount Etna increases. Sixteen newentire crest of Mount Etna appears fissures have cpened, and from the two impossible, because of the smoke moving at the rate of 1,250 feet an which shrouds the whole mountain, hour, and today had covered several Miss Price returned to her home morning the dogs led the posse to the but there seems to be more than miles in the direction of Lingulossa, in this place, where she stays with stubblefield where the fugitive slept thirty openings all belching smoke northeast of Etna. Lingulossa and John Rinn. Last night, to all apand lava.

The gravity of the eruption in Mount Etna is indicated by the abandonment of the railway station of Moio and Alcantara, at the north of the volcano. Alcantara marked the limit of the lava flow in the eruption of 1879. Moio was threatened at that time but escaped.

In this place, where she stays with John Rinn. Last night, to all appearances, she seemed little worse for her adventure, only one eye and her lip being shadly bruised from the belief is current that it is only a matter of hours until the brute is born in Newport, N.H., in 1832 and found, for at midnight she spoke quite freely of the adventure; so dreadful that time but escaped.

American Authoress Dead.

Aibling, Upper Bavaria, Sept. 14—Elizabeth Edson Evans, American authoress, died here today. She was brutal treatment received. She must be as plucky a girl as is to be found, for at midnight she spoke quite freely of the adventure; so dreadful that time but escaped. The eruption means great suffering to reach the railroad encircling Mount prostrated for days. Nevertheless, for the peasantry. The slopes of Etna at a point between Lingulossa she bore distinct traces of severe

INDICTMENT EXPECTED

Evidence Being Taken Against Mayo of Cass Lake for Safe Cracking and Arson. Bemidji, Minn., Sept. 13. - While Dr. D. F. Dumas, mayor, and highly respected citizen of Cass Lake, is making his rounds upon the sick today, the grand jury of Beltrami is listening to the evidence of witnesses produced by the state and is expected vincial government is scattering to result in an indictment against the broadcast throughout Saskatchewan physician Mayor, charging an at siderably greater than that of the a warning to householders to at once tempt of arson, and safe cracking. This is the first step of the court crisis of the long drawn out drama following the arrest of Dumas on June not effected, however, w

Jews Are Coming to Canada, Toronto, Sept. 12-According to H. G.
