Harbor Grace Notes

Winter has spread its mantle of white over the land, giving an added touch for the Christmas season, which is now so far advanced. Our thoughts are centred around what the Christmas morn means, while the kiddles are eagerly looking forward to what Santa Claus has in store for them.

St. Paul's annual Missionary Meeting was held at St. Paul's Church on Monday night. Rev. Seevey, Curate of Bay Roberts, was the chief speaker for the evening, and delivered a thoughtful and inspiring sermon from Matthew, 28: 19-20, -Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost. Teaching them to observe all things whatsoever I have commanded you, and, lo, I am with you always, even unto the end of the world. Rev. Seevey stressed the great need for whole-hearted workers at home and on the far flung line of the Mission Field. The Reverand gentleman had spent three years at Battle Harbor Mission, and in his discourse spoke on conditions as he saw them there, and the wonderful transformation to be achieved by the power of the Gospel. To many of the congregation present, it was the first time they had the pleasure of listening to Rev. Seevey, and we welcome him back again. The next speaker was the Rector, Rev. Mr. Templeton, who gave a short address, which was very forceful. He pointed out that in order to be a genuine Christian, one must possess the missionary spirit, and if such does not exist, then we are greatly lacking, for as he intimated,-"How can we pass on to others that which we know so little of ourselves." There was a ring of enthusiasm in the Rev. Templeton's address, which all would do well to catch:-

"Oh Zion haste, thy mission high fulfilling,
To tell to all the world that God is

That he who made all nations is not willing, One Soul should perish, lost in shades of night."

Mr. Charles Garland has been confined to his home for the past week or more, suffering from an attack of pneumonia. His condition was very serious, but he has been holding his own the last couple of days, and all are hoping that his recovery will be speedy.

Mr. John Trapnell, J.P., I.S.M., who has been in failing health for some Ine past, is at present very ill at his home, Harvey Street. Mr. Trapnell's many friends are trusting that there will be an improvement in his condition ere long.

The many friends of Miss Maude Butt, Principal of the Grenfell School, St. Anthony, will regret to learn that she has recently suffered a nervous breakdown, which made it necessary for her to return home by the "Meigle" to recuperate. We trust that she will soon be restored to good health again.

S. S. "Earl of Devon," Capt. Carter, arrived in port on Wednesday with a part load of fish, oil, etc., to E. Simmons, from his business at Hooping Harbor, White Bay, Mr. C. Pike, who is managing the business there, will likely be returning home by the next boat. Capt. Carter experienced excellent weather during the trip, and made a good run. She leaves for St. John's early Friday morning, where she will discharge the remainder of her cargo.

Schooner "Olive Moore," arrived in port on Monday to go on Dock. She has since been taken up and received the necessary attention, and will be sailing on Friday. Capt. A. Snelgrove, of Messrs. A. E. Hickman Co's., was In town in connection with this vessel. He is a Harbor Gracian, and his friends are glad to see him in town for a while.

The car owned by Mr. F. C. Archihald which was damaged by fire some time ago, was sold by public auction by Mr. C. C. Butt, in the interest of the Insurance Company, on Wednesplay of last week. The number of bidders was small, and the car was purchased by Mr. A. L. Rogers.

The stork visited the home of Mr. and Mrs. Graham Ash, on November 22nd, and left a son. We tender our congratulations. Harbor Grace, Dec. 17th, 1925.
