Gladstone's supporters must win 19 seats in the contests to come to overturn the coalition against him. He has been slow!y yet steadily gaining on his opponents in the borough elections. Whether the more favorable territory yet to be heard from will bring better results and give Gladstone a substantial majority remains to be seen.

Hot for Clevcland.

Captain Ellison's enterprise in inaugurating his weekly trips to Cleveland via the steamer Joe Milton, has evidently been rewarded with success. On Saturday 80 passengers, the mejority from London were conveyed to the Forest City across the lake. The captain kindly consented to remain over until after the "glorious sith," and the visitors were enabled to enjoy the many attractions provided by and for the clitzens of Cleveland. On the return trip 125 people were on board. Lovers of the race track will have a chance to go by the Joe Milton on Saturday, July 23, and attend the Grand Circuit races on the following week, returning Aug. I. The Cleveland World of July 3, says: To those undecided where to spend their vacation, take a trip on the fast little steamer, Joe Milton, to Port Stanley, Ont. It is one of the pleasantest summer resorts in Canada, with a first-class hotel, good boating and bathing and splendid fishing. Boat leaves every Monday at 7 am.

The Homestead Revolt

Latest Particulars of the Lament able Occurrence.

The Situation Quieting Down and the Detectives Leave.

AFTER THE CONFLICT.

PITTSBURG, Pa., July 7.—The Pinkerton detectives from Homestead arrived in this city at 2.40 this morning. Twenty-seven of their number were wounded and were sent to the hospital. They all refuse to make any statement or to be interviwed. The Pinkertons were to be held in the Pennsylvania yards under a strong guard until they left, when they were to be removed to the county jail to await trial for murder. The course of Governor Pattison in declining to order the National Guard to Homestead until Sheriff McLeary had exhausted all means in his power to preserve order is generally commended. The prevailing opinion here is that had the militia been on the scene the bloodshed would have been much greater. The advent of the armed, and uniformed men of the State troops to guard the Carnegie works, and to act as protectors to the non-union men, would have excited the strikers to all possible resistance.

THE CARNEGIE PROPERTY UNINJURED. One of the most noticeable features of the trouble so far has been that not a dollar's worth of property of the company was destroyed by the strikers, and no attempt was made to do so.

New York, July 7.—At 3 o'clock this morning fire occurred at 67 East One Hundred and Eighteenth street in a frame structure. Four persons were suffocated to death.
