COPP BROS.' FAILURE

Stock Taking Showed Assets \$160,000 and Liabilities \$56,000.

Hamilton Times: Yesterday (Friday) afternoon, Mr. Joseph McAdam, of St. Thomas, went into the office of Copp Bros., stove founders, as liquidator, under an order obtained at Osgoode Hall at the instance of the Merchants' Bank, and it is feared that there is little hope of saving the business—one of the oldest in Hamilton.

Copp Bros. commenced business in Hamilton in the year 1849. They also purchased and operated a foundry in Woodstock for seven years, when they removed that plant to this city, in 1867, and have steadily increased their works up to the present time, doing business from the Atlantic to the Pacific, with branch houses in Toronto and Winnipeg. Last year's business was the largest in volume in the history of the firm. Their pay roll amounted weekly, when running, from \$1,000 to \$1,500. The financial position of the company was vastly improved during the year. In fact, much better than it had been for ten years. Stock was taken on Jan. 21, 1901, which showed net assets over \$160,000, and liabilities to the bank and other creditors under \$56,000, and hence it will be seen the assets amount to almost three times as much as the liabilities. The business earned for the year 11 per cent on the capital stock, which left net assets of about \$104,000 over and above all liabilities.

SUGAR BEET CONCERN FAILS.

Benton Harbor, Mich., April 22.—Dr. H. C. Rockwell, one of the principal stockholders in the \$300,000 beet sugar plant at this place, which proved a failure, has packed up his belongings, and moved to Cleveland, where he hopes to rebuild his shattered fortune.

G. T. R. BRAKEMAN'S NERVE.

Detroit, April 22.—William O'Neal, a brakeman on a Grand Trunk train, showed an unusual amount of grit on Saturday night. He was standing on the top of a car, and at the Desquindre street bridge at Detroit, where he was struck by a bridge beam and knocked off. His scalp was peeled from his forehead back to his neck. He suffered excruciating pain, but bore it bravely until the Gratiot avenue station was reached. Here he walked out to Lloyd's ambulance, which was called, and was taken to the sanitarium, where he was walked into that institution. Besides having his scalp torn, his neck was badly wrenched. O'Neal is 40 years of age and lives at 1,172 Scotten avenue.

CHAPTER OF CASUALTIES

Preacher Found Dead on the Floor of His Room.

Suicide of the President and Cashier of a Suspended Bank in Vancouver, B. C.

PREACHER FOUND DEAD. Ogdensburg, N. Y., April 22.—Rev. George Green, of New York, apparently about 65 years old, was found dead in a room at the Seymour House Saturday. The bed had been opened, but not occupied. The body, clothed in a night robe, lay on the floor, face downwards, with the arms underneath the head. Green had been connected with the Episcopal mission in New York, and assigned to the mission parish at Antwerp. The parishioners complained of his eccentricities. An inhibition followed. An autopsy showed that death resulted from asphyxiation, due to convulsions.

Winnipeg, Man., April 22.—The eighteen-year-old son of Matthew Lutz was killed on Tuesday on Trotter's farm, north of Summerby, Assa., by a wood tepee falling on him. Vancouver, B. C., April 21.—Charles Brown and E. L. Canby, president and cashier, respectively, of the First National Bank, of this city, which was forced to suspend yesterday, committed suicide last night, two miles from here. Their bodies were found this morning.

ATTEMPTED SUICIDE.

Portage La Prairie, Man., April 22.—Andrew Brydon, who claims to have been working for the Lake of the Woods Milling Company at Keewatin, was picked up by a train crew near Return in a very serious condition. Brydon is a married man, and attempted suicide. He slashed himself about the groin with a knife, and when taken charge of was about to throw himself into the lake. Recovery is doubtful.
