Doctors Say Lolita Armour Can Rus Cake and About as Other Children.

Milwaukee, Wis., June 18.—A statement authorized by Dr. Adolph Lorenz, of Vienna, has been issued by two local physicians, answering repeated attacks which have been made on Prof. Lorenz's treatment of hip dislocations

The statement says: "We deem it due to Professor Lorenz to contradict the rumors that have been afloat for some time to the effect that Prof. Lorenz's treatment of little Miss Lolita Armour was unsuccessful. Prof. Lorenz treated but one hip in this case, the other having been more or less successfully reduced by other surgeons in a former operation by Lorenz's methods. The family is more than satisfied with the result. Miss Lolita now runs about and up and down
