POTTERSBURG PICNIC

Outing of Methodists at Springbank Was Most Enjoyable.

The Sunday school and congregation the newly-organized Methodist Church of Pottersburg turned out in full force to their first annual picnic at Springbank yesterday. A special car carried the merry party to the river park shortly after noon, where they took full possession.

The first event of the afternoon was the baseball match between chosen sides. After a close contest, in which some rare exhibitions of the favorite game were seen, the score stood 30 to 21, in favor of the winning team. After the company did justice to the

abundance of good things which the 643/4 ladies provided, a programme of 651/2 sports was run off, in which the winners were: Little tots' race (girls)-1 Ella Lar-
