Miss Margaret Simmie.....274,010

TOTAL VOTE 5,513,483.

Through a typographical error in yesterday's Advertiser, the total number of votes polled in the contest was incorrectly stated to be some four and a half million. The correct total is far ahead of that number, the official figures for the votes polled being 5,513,483, over a million more than was stated in yesterday's issue.

In consideration of the fact that Miss Margaret Simmie held the high figure for the country districts, after the winners, by 274,010, and Miss Edith Glanville held the same position in the city districts with 251,561, The Advertiser has decided to add their names to those who are to enjoy the Quebec trip, so there will be ten instead of eight candidates to take that journey.

SOME MUST LOSE.

There are many other candidates who worked well and faithfully in the contest. No one regrets the fact that of necessity some had to be losers, more than The Advertiser. And it is hoped that all will fully appreciate that this is a necessary result of any contest, and The Advertiser is determined to do everything in its power to lessen the disappointment as much as possible. The thanks of The Advertiser Company are due to all who have taken part in this contest, whether their efforts have been crowned with success or not.

Mr. Rogers died at his house, No. 8 East Seventy-eighth street, about 7 o'clock this morning. He arose about 5, and about 6:30 he began to feel ill, complaining of nausea. Mr. Rogers was at the office of the Standard Oil Company yesterday and appeared to be in good spirits. ALEXANDER JOHNSTON, WEST LONDON, DEAD

House Was Washed Away
During the Great Flood of
July 11, 1883.

Alexander Johnston, formerly of Westminster Township, died at his home, 56 Argyle street, West London, last night after a brief illness. Mr. Johnston was 77 years old, and came to this country from Scotland when a boy. He settled first in Westminster, and resided there until 1882, when he removed to West London.
During the great flood of July 11, 1883, Mr. Johnston's house was washed away, and he only saved his life by climbing to the top of a high tree, where he remained for many hours.
Besides his wife he is survived by one sister, Mrs. Peter Rose, of Cardoc, and two brothers, William and David, of Westminster.
The funeral will be held on Friday morning to St. Peter's Cathedral.

AMERICAN FIRM CHARGES FRAUD

In Connection With Purchase of
Two Horses by Chas.
P. McMahan.

WARRANTS ARE ISSUED

J. M. McEvoy is Acting for the Complainants in the Case.
A warrant of extradition was issued yesterday against Mr. Charles P. McMahan, a farmer, of Biddulph Township, and he will be taken back to Lafayette, Indiana, if extradition is granted, to answer to two charges of false pretenses, it is alleged.
Last March, Mr. McMahan, it is charged, visited the establishment of Crouch & Sons, the horsemen in Indiana, and looked over the animals there.
Two fine stallions, one a Percheron and the other a Belgian, were pur-

chased. Mr. McMahan, it is alleged, represented that he was worth \$17,000, and on the strength of these representations, the complainants state, they gave him the horses, on a small cash deposit and notes.
The notes were coming due, but the other day, Mr. McMahan, the charge goes on, made an assignment, and the horses were claimed for other debts. As soon as Crouch & Sons heard of the assignment their solicitor, Mr. J. M. McEvoy, was instructed to take out a warrant of extradition to bring Mr. McMahan to Indiana to answer two charges of fraud.
The warrant was issued yesterday by Judge Elliott.
The horses cost about \$5,000, and there is still \$4,000 owing on them. Mr. McMahan is well known in Biddulph.

THE COMMONS PROROGUES AFTER SHORTEST SESSION

First Session of Eleventh House
of Parliament Concludes
Today.

[Special to The Advertiser.]
Ottawa, May 19. — The first session of the eleventh parliament of Canada was prorogued at 3:30 this afternoon, by his Excellency the Governor-General, with the usual pomp and circumstance. The session, which has lasted just four months, has been one of the shortest in many years, and, with the exception of the debate on the question of Canada's part in naval defence, has been perhaps one of the most uneventful. In all a hundred and sixty-one bills have been passed, of which some forty have been Government measures. The chief items are contained in the speech from the throne.
Speech From Throne.
Honorable Gentlemen of the Senate: Gentlemen of the House of Commons: In relieving you from further attendance on this session, I thank you for the attention and diligence which you have given to the discharge of duties intrusted to your care, and it must be a source of satisfaction to yourselves (Continued on Page Ten.)

A BIG PLANT MAY COME HERE

Pittsburg Capitalists Are Negotiating With the City at Present.

WILL SEE LONDON BEFORE LOCATING

Factory Will Employ 600 Men, No Matter Where It Goes—Looks Like a Good Thing.

A number of Pittsburg capitalists are considering London as the possible site of a large manufacturing concern.
Ald. Ferguson was notified today that the party would be in the city today, but a long-distance telephone message was received by him this morning stating that some of the party had been called back to Pittsburg on urgent business, but that they would come to London within a very short time.
They had visited two or three cities in Ontario, for the same purpose, but would visit London before they finally decided where to locate.
A Responsible Company.
"The company is a responsible one," said Ald. Ferguson. "I have been in touch with them, and I expect that they would come here today. However, they had to return to Pittsburg, but they will be back. They told me emphatically that they would not locate their Canadian branch until they saw our city."
"The plant when established will be a large one, employing 600 men. We will try and land this one."

THEATRE BATTLE IS LOOMING UP

Shuberts May Secure Certain
Nights in Bennett's Theatre
in London.

GRAND MAY RUN PICTURES

If Bennett's Should Hook Up With the Independents—The Situation To Date.

There seems to be no doubt that the Shuberts will show in London next season, perhaps, in Bennett's Theatre. Some time ago, it was stated that there were negotiations on foot to give the independents the house, and this has been confirmed.
Mr. C. W. Bennett has returned from New York, and he admitted that the Shuberts had had a conference relative to the leasing of the theatre.
A circuit of three weeks' time could be arranged in Canada. The independents already have the Princess Theatre in Montreal, and the Royal Alexandra in Toronto.
These two houses would give two weeks to them. With London, Hamilton and other houses still under consideration, a compact circuit could be arranged.
The Shuberts have a large circuit in the Western States and are now reputed to be very strong.
The Arrangements.
Bennett's would, of course, run the same sort of show as at present, cutting it off the nights the big attractions are running.
London would then be given the advantage of seeing all the big shows of both syndicates.
A prominent theatrical man stated this morning that the war was on, and that the Shuberts were looking for houses in Canada, and in all probability would obtain several of them.
It is merely a continuance of the big war which closed a couple of years ago, but has broken out afresh.
It is understood that Londoners will see a practical demonstration of the battle during this summer as negotiations are at present under way. It is understood, for a rival entertainment in the Grand, to oppose the Bennett, is being planned. None of the parties would discuss the situation at the present time.
