MANY SPORTSHECK RESCUED THE GAME
WHEN FITZ WAS BATTED OUT

Petes Could Do Nothing With London Southpaw in the Last Four Innings and Deneau Crowd Won Handily—
Score Was 11 to 6.

[Special to The Advertiser.]

Peterboro, June 18.—The Cockneys made it two out of three from Peterboro today, beating Dave Rowan's brigade 11 to 6 in a loosely-played game. Up to the sixth it was an even-tempered battle, with Sterling and Fitzpatrick both being hammered hard. Fitzpatrick was taken out in the sixth to allow Deneau to bat for him, and that was the turning point of the battle, as the Petes were unable to do anything with Bobby Heck, who went to the mound for the last four innings and did not allow a hit or a run.

Made It Safe in Ninth.
The Cockneys kept on after Sterling and put the game on ice in the ninth, when they sent three runs over. The fielding features were contributed by Clickenger, who made a fine drive from Trout's bat off his shoe-top on the dead run, and Stewart, who robbed Sargent of a double by a running diving catch. London scored two in the first on singles by Matteson, Bierbauer and Clickenger, and Swartz's error on Stewart's fly. Peterboro got them back in their half. With one gone, Rowan was passed and scored on Hilliard's double. Swartz singled to right to score Hilliard. The visitors got another in the second. Dunlop was hit and was sacrificed along by Reid. Myers hit to Sullivan, who dropped the easy fly. Myers was caught between first and second, but managed to be tagged until Dunlop scored.

Petes Got Three.
A pass to Stewart, Dunlop's sacrifice, and Myers single scored another for London in the fourth. Peterboro came back with three in their half, and took the lead passes to Swartz and Sullivan, Callahan's infield single, and smashes by Sargent and Brant doing the damage. London went ahead again in the fifth on a pass to Linneborn, Matteson's sacrifice and

singles by Bierbauer and Stewart. Once more the Petes evened things up by getting a run over on a pass to Rowan and Hilliard's second hit.

Rube Gets in Game.

In the sixth with one gone Reidy and Myers singled. Deneau batted for Fitzpatrick and fanned, but Reidy scored while Myers was being run down between first and second. Three singles in a row by Bierbauer, Clickenger and Stewart were responsible for another in the seventh, and in the ninth an error by Callahan, Linneborn's sacrifice, a pass to Bierbauer, Brant's bad throw to the plate, a single by Clickenger, and a charity to Stewart accounted for three more runs.

Peterboro could do nothing with Heck in the last four innings.

The Men Behind the Mask Is the One Great Secret of
the Washington Team's Defensive Power

ALVA WILLIAMS.

EDDIE AINSWORTH.

JOHN HENRY.

Men who follow baseball closely realize the power that lies in a great catcher, like Bresnahan, Kling, Thomas and a few more of the top notchers. In the club of youngsters he built up to start the baseball world last fall, Clarke Griffith, manager of the Washington team, has a catching department that ranks with any in the land. Griffith's first string catcher is Ainsworth, the husky chap who handles the

lightning delivery of the Idaho cyclone, Walter Johnston. Ainsworth is better than ever this year, and has been doing the bulk of the work to date for the Nationals. Henry is about ready to get back into the game as a regular, and take some of the burden off Ainsworth's shoulders. His injured knee is well, and he will soon be handling the slants frequently.

LONDON HORSES ENTERED
IN OLYMPIC HORSE SHOW

Hon. Adam Beck Has Entered a Number of Carriage and Coaching Horses Competing in Big Event.

London, June 18.—The outstanding feature of this year's International Horse Show at the Olympia, which opened today with over 4,000 entries and 111 classes, is the riding and jumping competition for the King Edward VII. gold cup, for teams of three officers representing the armies of the various nations. The keenest rivalry exists among the seven entries—Canada, France, Great Britain, Belgium, Italy, Russia and Sweden. France has won the cup twice, and the French cavalry officers, it is known, make a desperate attempt to win it for the third time and take it with them across the channel as their personal property. Russia and Belgium have won the cup once each. England does not want the \$2,500 trophy to become the property of a foreign power, and 100 British cavalry officers have been training for this defence at various army posts for several months.

In the other competitions Judge W. H. Moore, of Philadelphia, is one of the largest exhibitors, with about 40 carriage and coaching horses, while one of his closest rivals is Miss Mona Dunn, daughter of a prominent member of the Canadian colony, who has entered a string of 30 horses.

Other exhibitors from across the Atlantic are the Hon. Adam Beck, the Hon. Clifford Sifton and F. H. London, from Canada.

Bill McInnon
Substituted for
Jimmie Clabby

Indianapolis, Ind., June 19.—Jimmie Clabby, of Hammond, Ind., will not meet Jack Dillon in the ten-round bout scheduled here at the American Association ball park on the night of July 3. Bill McInnon, of Boston, has been substituted for Clabby.

MAY BREAK WILL

Atlanta, Ga., June 19.—Relatives of Mrs. Barbara Dodd, a wealthy Atlanta woman, who died recently, leaving \$100,000 to Mercer University, and large sums to charity, will attempt to prove in the superior court that they were cut off by Mrs. Dodd because certain of them had refused to kill or maim Dr. J. H. Garner, Mrs. Dodd's divorced husband. These charges are made in an appeal from the ruling of the Fulton county ordinary, who recently upheld the will.

Heine Zimmerman, of Cubs,
Will Get a Hundred Bones
For Being Good to Umpires

CHICAGO, June 19.—Heine Zimmerman, the hard-hitting third baseman of the Chicago Nationals, will receive a \$100 bill from an enthusiastic admirer, if he can behave on the baseball field for the next two weeks. The bill, cut in two, was sent to the sportswriter by a follower of the game, and one-half of it will be handed to the belligerent ball player today. It is worthless without the other half, which Heine will receive if he avoids being put out of the game by the umpire during the next fourteen days.

The maker of this unique proposition said in his letter that two weeks' living in harmony with umpires will do everybody a lot of good, Zim most of all.

So far this season Zimmerman has been put out of the game five times; three times in the last week.

"Hand me half of that bill and watch me get the other," said Zimmerman today. "I'm through fussing with umpires anyway, and don't intend to be put out of the game again this season. I'll be a model on the ball field hereafter."

London Rowing Club Plans
Big Dominion Day Regatta

Splendid Program of Events Is Being Arranged, and Affair This Year Will Be Biggest Yet—Several Features Have Been Added.

The London Rowing and Bowling Club's big regatta on the Thames River at the Springbank pump house on Dominion Day promises to eclipse all former records this year in the point of attendance and entries for the different events. The committee in charge of the arrangements are at present working on the program and several novel events will be added this year to take the place of the launch races which were held in past years. The program will be a large one and will include all the regatta events with some added features. The regular numbers, such as the junior and senior fours, junior and senior singles, junior and senior doubles, tilting, swimming, tub and crab races, will all be run off this year, besides the novel double gunwale, double hand-paddle, and other fancy events.

Ottawa Club Wants London
to Transfer Dates With Petes

Want Peterboro to Play in Ottawa on Dominion Day and Berlin to Come Here—President Stevely Says "Nothing Doing."

President Stevely, of the London Baseball Club, has received a polite communication from President Malcolm T. Price, of the Ottawa Club, asking if the London club would mind if the Peterboro dates here at the end of the month were switched so that Peterboro would go to Ottawa instead and the Berlin club, which is due in Ottawa at that time, come to London. The reason for this change was not very satisfactorily explained, but "Nothing Doing," says Mr. Stevely. "The Ottawa club was largely instrumental in drawing up the schedule," said Mr. Stevely today, "and as it is we shall endeavor to stick to it at this end as much as possible. The London club will not consider for a moment the transferring of the Peterboro dates, especially since Berlin would be the club to play here. Berlin has already played seven games in London, while Peterboro has not appeared here at all yet. If we changed the dates, Peterboro would not appear here until the end of July. Besides, Berlin played here on Victoria Day, and as there are many fans who can only attend the games on holidays in fairness to them we should have some other team here. There is no danger of us transferring the dates, and I have written and told the Ottawa club so."

CANADIAN PACIFIC GREAT
LAKES EXPRESS STEAMSHIP SERVICE.

Few people realize with what ease and speed a trip from the east to Port William and Winnipeg can be made, via the Canadian Pacific Great Lakes Express Steamships. Stop for a moment and consider that you can leave Toronto at 12:45 noon on Tuesday or Saturday and arrive in Winnipeg at 9:40 p.m. Thursday or Monday. Fifty-seven hours from Toronto to Winnipeg, twelve hours faster than any other service. For those who wish to leave on different days in the week, and have a little more time on the water, the trip can be made leaving Toronto at 12:45 noon on Mondays, Wednesdays and Thursdays, arriving in Winnipeg at 11:40 a.m. on Thursdays, Saturdays and Sundays.

Think of a steamship service five days each week across the Great Lakes. The steamships are built and equipped to give the very best comfort that marine architecture can devise and the cuisine is the result of years of studied effort and experience, and, needless to say, the best. The Tuesday and Saturday boats contain inside and outside staterooms and cabins of luxury. Large, well-ventilated dining salons, rest rooms, together with spacious decks for promenading. All staterooms on the Monday, Wednesday and Thursday boats are outside and in addition there are parlors.

If you are contemplating a trip don't let this slip your memory. Canadian Pacific steamships make the fastest time, have the very best accommodation, and the table is unexcelled. Full particulars and reservations on trains and ships, at every Canadian Pacific ticket office. Toronto city office temporarily located at 16 King street east, in a few days will be in the new big building, southeast corner of King and Yonge streets.

Princess Pat's Book
Suppressed by Queen

London, June 19.—The discovery that Princess Patricia, daughter of the Duke of Connaught, the governor-general of Canada, has written a book dealing with her experiences while in Canada and her impressions when she visited the United States, is causing a great deal of talk among the English royal entourage, not only because nobody ever suspected the charming young woman of being an authoress, but especially because of the fact that Queen Mary has requested the Duchess of Connaught to have the manuscript destroyed. Several weeks ago the Princess Patricia loaned the manuscript to a friend to read, and this friend in turn showed it to the Countess of Farnesborough, lady-in-waiting to the Queen, and she promptly took the work to Queen Mary.

From the future it has created it is certain that the manuscript will never be published, but while the princess is willing to accede to this, she is anxious to have the work back, but Queen Mary has thus far failed to return it.

Principal McDiarmid
May Resign Shortly

[Special to The Advertiser.]
Ingersoll, June 19.—A rumor has been current that at the next meeting of the Ingersoll Board of Education the resignation of Principal McDiarmid will be read. According to reports the resignation is already in the hands of the board, but it has been impossible to get any authoritative information either from Mr. McDiarmid or members of the teachers' committee. Chief of Police Fysh is entertaining his uncle, Mr. George Fysh, of Brisbane, Queensland, Australia. Yesterday Mr. Fysh was the guest of Mr. Ingersoll lawn bowlers, who visited North and Woodstock.

BLENHEIM.

Many candidates from other nearby schools are writing here. Chas. Turk is slowly recovering from his severe illness. School Inspector Collis was in town yesterday. Mr. and Mrs. Mogz, of Mount Clemens, visited for a few days with the latter's parents. Miss G. Shillington will give a farewell party for Miss E. McGiarmid, who is leaving for Vancouver. Many citizens went to Chatham today to attend the horse races.

Simple Treatment
For Removing Hairs

[Modes of Today.]
A quick, harmless, painless way to remove unwanted hairs is to make a paste with a little salicylic acid and water. This should be applied to the hairy surface for 2 or 3 minutes, then rubbed off with a cloth. This simple treatment banishes every trace of hair or fuzz and leaves the skin without spot or blemish. No harm can result from using this method, but care should be exercised to see that you get real delatone.

THOSE LUCKY
SAINTS WON

Scored One Run Off Bradshaw and It Proved To Be Enough to Win the Game—Clements Was in Rare Form.

St. Thomas, June 18.—The last game of the Berlin series was won by St. Thomas by a score of 1 to 0. It was the best contest witnessed at Pictou Park since 1909.

The home team got the only tally across in the fifth. With one down, Fergus singled, and was advanced to second on Clements' sacrifice, and scored when Kopp sent one over second for a base hit.

The visitors got two on in their part of the ninth. Beltz got a life. Fergus's error, Getzie made an infield hit, Stroh advanced to right smartly, and Beltz was nipped at the plate. Bradshaw's best was a fly which Kopp bagged. Clements and Bradshaw both gave a great exhibition of pitching. The score:
