## LONDON HAS CLOSE SHAVE IN SLOW GAME WITH PARIS

Visiting Seven Holds Local Intermediates  
to 3 to 2 Score on Slow Ice Before Big  
Crowd Last Night.

BY JINX.  
If "Gussie" Edwards hadn't had his shooting stick with him last night at the Princess Rink, that thin bunch of gents from Paris, Ontario, (see map), would have sent a couple of thousand dyed-in-the-wool, genuine, fur-lined, London rooters and rooters home in a perfectly miserable frame of mind. As it was, "Gussie's" trusty hickory was working overtime on the job, and London managed to grab three goals out of the middle of skates and legs and sticks that had some slight resemblance to a hockey match. Seeing that Paris could only poke the puck past Wardrop on two separate occasions, the local crowd was much obliged to Gus, for remembering to bring his stick. He scored two of the three goals.

Others Not So Effective.  
Lee Walden was also amongst those who were accompanied by a stick last night. He scored the first goal. But for the rest of the London players as far as scoring was concerned, they might just as well have been out there with a toothpick in their hands. Not that they didn't try hard enough, but the ice was so aggravatingly sticky and the puck was so annoyingly stuck on it that it was mighty hard to give even a faint imitation of a hockey game.

The contest was slow for the most part, with little combination to speak of, and it was more of a game of shinny than anything else. The checking was close, mainly because it was impossible to speed the rubber up faster than a walk, and as a result, the superiority of London over Paris, if there is any, was not as apparent as it would have been on faster ice.

Same Old Paris.  
The Parisians are that same bunch of light, tricky, and hard-checking players that have always been more or less of a nightmare to London fans and players. They are a dangerous bunch on any kind of ice, but on soft ice they seem to be extra effective against a heavier team. They played a much better game at times than London, but they tired easier. In the first half, the locals got the edge on them by holding them scoreless, while Walden and Edwards notched a goal apiece. The second-half was totally different. Paris has always been a totally different team in the second-half, and last night was no exception. In this final stage of the contest, they outscored London two to one, and gave the local team its narrowest escape from a defeat this season.

London Scores Quickly.  
London notched the first goal two minutes after the face-off. Gillies and Walden rushed, and on Gillies' short pass, Walden beat Brown. Six minutes later, Edwards, who did most of the shooting all evening, scored on a vicious shot. The rest of the half produced nothing in the scoring line, the increasing slush on the ice making

it more and more difficult to shoot properly or develop any team play.  
G. Gill Scores for Paris.  
In the second-half, Gordon Gill, that diminutive but game little centre of the visitors, got in a nice piece of stick work that so dazzled George Wardrop that he unintentionally allowed the puck to slip past him in the excitement. That was four minutes after the face-off.

Gordon Misbehaves Again.  
Fourteen minutes later, that same small-sized Gordon Gill and Mr. A. Peebles, who had rudely taken the puck from Dave Reid near centre ice, combined in a rush that netted another goal, and incidentally evening the score. This resulted in the players developing a little "pep" for a brief time, and the game became more and more exciting. London came to life, and Gus Edwards showed what a fine shot he was by standing out on the wing and peppering the Paris goal minder with shots that glanced off his pads for the most part. He beat him on one, finally, and put London in the lead again, with eight minutes to play. The remainder of the game was dull, and neither team worked very hard to make it more lively.

McAvoy Was Missed.  
The London team was crippled by the absence of Amby McAvoy, who is still feeling the effects of that strenuous contest at Woodstock on Monday night. Edwards played McAvoy's position at rover, and handicapped by an injured knee, he did not play up to his standard. Outside of his shooting he was weak, but his shooting was sensational. Walden was back on right wing, and he played a slugging game. He works hard all the time, and harder on slow ice. Gillies, Ralph Reid, Dot Reid, Hall and Wardrop were all right, but they lacked the old "pep," and the distinguished line did not work well together, and combination did not go worth a cent.

Old-Timers Starred.  
The three Gill boys and Peebles were, as usual, in the calcium for the green shirts, Wooden and Meggs and Brown are all new faces here, but they look as good as the players who preceded them. London will have to go some to beat them in Paris, and it looks like another play-off in the district title to decide the district title, providing some other team in the district, Ingersoll, for instance, doesn't slip to one or the other team first.

Toronto Referee Good.  
Referee Moxon, of Toronto, is a new official in this part of the O. H. A., but he made a favorable impression. He is above the average of Toronto referees. There were few penalties, leading causing most of them.

The teams were:  
Paris: Brown, goal; P. Gill, left defence; Meggs, right defence; Wooden, rover; G. Gill, centre; A. Peebles, left wing; W. Gill, right wing.  
London: Walden, goal; Hall, left defence; D. Reid, right defence; Edwards, rover; R. Reid, centre; Walden, right wing; Gillies, left wing.  
Referee—Moxon, of Toronto.  
Timekeepers—V. Smith, of London, and C. Walker, of Paris.

## GUELPH FRANCHISE TRANSFERRED TO ERIE

Secretary Farrell Makes This  
Announcement in Official  
Bulletin.

### PLAYERS MUST GO ALSO

This May Affect Erie Situation  
and Bring About Settlement  
With Mr. O'Neill.

Auburn, N. Y., Jan. 16.—Secretary John H. Farrell, of the National Association of Professional Baseball Clubs, today gave out two important notices as follows:  
All national association players' contracts for 1914 are subject to the agreement made at Cincinnati January 6 between the Players' Fraternity, the National Commission and the National Association relative to the changes and modifications in the present players' contracts. All players under reserve must be tendered contracts on or before February 1. Among other announcements were the following:  
The territory of Erie, Pa., has been awarded to the Canadian League and the Guelph, Canada, franchise and players are transferred to Erie.  
The Northern League is re-organized to include Winnipeg, Fort William, Ont., Virginia, Moorehead and Winona, Minn., Duluth and Superior, Wis., and Fargo and Grand Forks, N.D.  
A salary limit of \$1,800 per club per month is allowed the Western Canada League on account of its great distance from the player market.

## TORONTO AND BUFFALO DROPPED BY FEDERALS

Washington and Cincinnati Will Be  
Taken Into Outlaw League Instead  
—Financial Backing to Blame

New York, Jan. 16.—It was declared here tonight on apparently good authority that the Federal League has dropped Buffalo and Toronto, and will place teams in Cincinnati and Washington instead.  
The Buffalo and Toronto clubs could not get the financial backing necessary, it was said, and were unable to go out after big league ball players because of lack of money.

### BERLIN JUNIORS WIN

Defeated Waterloo Seven by Score of  
7 to 0.

Berlin, Jan. 16.—Union Jacks kept up their winning streak in the junior race, shutting out the Waterloo Academics 7 to 0.  
It was their fifth win, and no losses, this year. There was nothing to it but Berlin all the way through, the Waterloo team being no time being dangerous.  
Berlin scored four goals in the first half and at the end of the game were going strong. Klehn starred for the locals.  
Line-up:  
Union Jacks: Goal, Merner; left defence, Erb; right defence, Karges; rover, Shiry; right wing, Clayton; left wing, Schmitt; centre, Klein.  
Waterloo: Goal, McKus; left defence, Durr; right defence, Dahmer; rover, Kaiser; right wing, L. Dewitt; left wing, S. Uelman; centre, Rockel.  
Referee—Allan Kinder.

### T.R. AND A.A. BEAT T.R.C.

Senior O. H. A. Game Resulted in Win  
for Last Year's Champions.

Toronto, Jan. 16.—Toronto R. & A.A. tonight doubled the score on the Toronto Rowing club seven. The score was 4 to 2 and is a good indication of the play. T. R. & A.A. forwards seemed to be able to get in much closer on the goal than did their opponents and their four goals were scored on short, snappy shots.

After their unexpected defeat at the hands of the Argonauts on Tuesday night the management of the Toronto Rowing Club team set about to make some changes in the personnel of their team. Tonight there were three changes. McMillan, who last season played with the Victoria Harbor O.H.A. team, replaced Laird in goal and he played a wonderful game.

"Toad" Farr who was carried as a spare by St. Michaels last year, was at rover in place of Hyland. In center ice Jack Burrell was played.

## LISTOWEL LOST AND IS OUT OF RUNNING

Harriston Beat by Score of 5 to 4—  
Harriston Goalkeeper Hurt  
Before Game.

[Special to The Advertiser.]  
Listowel, Jan. 16.—Listowel was put out of the running in a fast game tonight when the locals were trimmed by Harriston 5 to 4. During the practice Strong, the Harriston goalkeeper, had his forehead badly cut by being struck by the puck, and was unable to play. This delayed the game half an hour.

The teams lined up as follows:  
Harriston: Klitt, goal; Jardone, point; Keil, cover; Pye, centre; Ward, right; Brown, left.  
Listowel: Donegan, goal; Strachan, point; Morphy, cover; Clark, centre; Ingalls, right; Hay, left.  
Referee—Jack Shea, Palmerston.

## WOODSTOCK JUNIORS WON FROM BRANTFORD

Baby City Seven Played Brilliantly  
And Won by Score of  
12 to 1.

[Special to The Advertiser.]  
Woodstock, Ont., Jan. 16.—Woodstock's junior O. H. A. team opened their home season here tonight with a 12 to 1 victory over the Brantford junior O. H. A. team. The Woodstock juniors played brilliantly, and back-checking like fiends, while the defence did everything expected of them. It would be unfair to single out any particular member of the Woodstock team, as the star, as every man on the team played brilliantly. For Brantford, Beckett, Tracey and Wood, in goal, starred, especially Wood, whose work in the first half enabled Brantford to hold the score to 4 to 1. Fraser, of Paris, refereed impartially.

The line-up:  
Brantford: Wood, goal; Brown, left defence; Burgess, right defence; Tracey, rover; Beckett, centre; Main, right wing; Cook, left wing.  
Woodstock: Childs, goal; Skelly, left defence; Palmer, right defence; McTague, rover; Hillier, centre; Smith, right wing; Ball, left wing.

## MILDMAY'S WINNING STREAK UNBROKEN

Walkerton, Ont., Jan. 16.—Tonight the first game in Walkerton for the season of the Northern League was played between Mildmay and the home team. Mildmay came with two wins out of two played, and they have a big incentive to help them out, for another win would give them a big lead for the silverware. The play was brilliant, and at the end of the first half the score was 4 to 2 in favor of the home team, but in the second half Walkerton had not the staying power and at the end the score was 5 to 4 for Mildmay. Johnson refereed.

## INGERSOLL BEAT BRANTFORD 5 TO 2

Game Was Played on Soft Mushy  
Ice and Was Very Un-  
interesting.

### HALF TIME SCORE 3 TO 2

Combination Play Was Impos-  
sible, Puck Having To  
Be Carried.

Brantford, Ont., Jan. 16.—In a slow, uninteresting game Ingersoll defeated Brantford tonight 5 to 2. The ice was mushy and combination play was impossible, while the puck would not glide, but had to be lifted to carry it over the ice. The half-time score was 3 to 2 for Ingersoll, they having much the better of the second half.

The line-up:  
Brantford: Wicks, goal; Knight, left defence; Jones, right defence; Johnson, rover; Watson, centre; Klercy, right wing; Marlett, left wing.  
Ingersoll: Manzer, goal; Gilior, left defence; Moulton, right defence; Coughlin, rover; Gregory, centre; Weichel, right wing; Ruple, left wing.  
Referee—Sld Rankin, of London.

## GUNBOAT SMITH COULD NOT GET LICENSE TO WED

His Fiancee Was Only 17 Years Old,  
and Guardian's Consent Was  
Needed.

Chicago, Jan. 16.—Edward I. (Gunboat) Smith, the light, heavyweight pugilist, and Miss Helen Remley of New York, were refused a license today to wed.

When the license clerk learned that Miss Remley was only seventeen years old, he informed them that the consent of a guardian was necessary, before a license could be issued.  
Smith and Miss Remley said they would take the necessary steps and return tomorrow.

## JOE HALL WILL SUE MONTREAL PAPERS

Claims He Did Not Check Lalonde  
Purposely in Wednesday Night's  
Game.

[Canadian Press.]  
Quebec, Jan. 16.—Joe Hall, of the Quebec Hockey Club, stated tonight that he was about to institute actions for damages against several of the papers, especially those in Montreal, on account of their reports of his encounter with Lalonde in Wednesday's match, when the Canadian player was injured and had to be carried from the ice. Joe says that he gave Lalonde a fair body check from in front, and that the stories that he deliberately charged from behind are utterly false. He had promised Manager Quinn before the match that there would be no trouble between himself and Lalonde, and did not want to lose his team's chances of victory by incurring any risk of getting ruled off.

From the fact that he was on the defence and Lalonde was continually coming in on the attack, they were bound to come in contact some time or another. It was his duty, he says, to defend the Quebec goal, and he did it.

## QUEEN'S BEAT MCGILL

Lack of Team Play Was Cause  
of the McGill's Defeat.

Montreal, Jan. 16.—The Intercollegiate hockey season was ushered in at the Arena tonight, when McGill went down to defeat before Queen's by a score of 2 to 4. Both teams showed splendid form throughout the entire game, lack of form among the local septet accounting for their defeat. Two big goals were scored in the Queen's victory, Box and Johnson. For the locals, Ramsay Rankin, the veteran defence player, was in brilliant form.

The teams:  
McGill—Montgomery, goal; Hughes, point; Rankin, cover; Parsons, rover; Davidson, centre; Demuth, left wing; Hooper, right wing.  
Queen's—R. Smith, goal; W. Smith, point; Quigley, cover; L. Smith, rover; Box, centre; McKinnon, left wing; Dobson, right wing.  
Referee—Cooper Smeaton.

Tendon in His Heel.

San Francisco, Jan. 16.—The championship boxing match between Willie Ritchie, the lightweight title holder, and Tommy Murphy, of New York, scheduled for January 30, was declared off today by Ritchie, Dr. John Gination, that his left achilles tendon was badly strained and the sheath of the tendon seriously inflamed. It might improve temporarily, he said, but exercise would be sure to make it worse.
