[Canadian Press.]

Brussels, Aug. 11.—Via London, 2:25 p.m.—An official statement issued by the Belgian war office at half-past eleven this morning, states that the Germans have dispatched some forces in a westerly direction from the north of the River Meuse. The detachments, it is said, did not appear very strong, and it is expected that the allied army will drive them back. Some outpost engagements were reported today, in which

the Germans were repulsed. The feeling among the allied troops is very cheerful, and their equipment is excellent.
