Tingston, Ont., March 17.—In the General Leman replied to the offer, wrote his friend, that his first act on the Bell Telephone Company was obtaining freedom would be to offer his warded damages to the extent of \$734.83 gainst Fallon Bros., of Cornwall, for added that the wound in his foot, which ulling up their cable last August while had troubled him so long, had at last orking a dredge near Cataraqui Bridge, healed.

Military Day BREAD LAW FOLLY

Weakness in Protecting Public.

Their Customers Benefit With Heavier Loaves.

While residents of St. Thomas are paying five cents for loaves of bread weighing twelve ounces and under citizens of London, Aylmer, Windsor and other Ontario cities and towns, are paying five cents for loaves weighing fourteen to sixteen ounces. All through Middlesex County this illegal bread, baked in London, is being sold.

present bread law. In St. Thomas the bakers are obeying the law, and the people are getting a twelve-ounce loaf five cents. In London the bakers are not observing the law, and the people are getting a loaf of fifteen to sixteen ounces for five cents, probably the largest amount of bread for the money sold in the province. If the bread law were enforced in the city at the present time the bakers would be forced to sell either a twelveounce loaf or a twenty-four-ounce loaf. They could not possibly sell the twentyour-ounce loaf for five cents, and it

The above item shows the folly of the

ounce loaf. The price would not be below five cents. Gutters.

Not Always Breaking Even.
The bakers of this city have continued the 15 and 16-ounce loaves, and kept the price at 5 cents, despite the

trol," will be received at the office of the city clerk up to 9 a.m. on Monday, the 29th day of March, 1915, for the The Advertiser recently saw the audited annual statement of one of the large bakeries. The owner, because of particulars, can be obtained at the profit, but his margin was small. Only large production, was making a fair the opportune purchase of flour enabled him to sell the amount of bread for the price of 5 cents. London is said to have the cheapest

bread and milk in Ontario. Find Law Unfair.
The bakers find the present law a most unfair one, all saying that they are willing to label the bread, and to give as many ounces as are shown on the label. But a twelve or twenty-fourounce loaf does not fit the popular price nor the requirements of the average

Bakers Break the Law, But Result Is That Despondent Chairman Lennox Follows the Blocking Policy of G. How-Youth, Disappointed in Love, Discharged From Hospital.

> In a fit of despondency because, it is alleged, the parents of a girl friend had forbidden him to visit their daughter, Kenneth ("Honey Boy") Howell, aged 20, a chauffeur, residing at 138 Queen's avenue, took carbolic acid on Clarence street, near Dundas, shortly before o'clock last night. Howell was rusned to Victoria Hos-

pital in the police motor ambulance. At the institution it was discovered that the young man was only burned about the mouth. The dose was evidently too strong, and he swallowed none of the acid. Today the young man was discharged from the hospital by the authorities. Police officials announced today that

Geo. Fullerton Hears Liberals Would Have Sacrificed Much To Save the Country's Honor.

CONSERVATIVES REFUSE

Item Destroying Advantage Given Britain. [Special to The Advertiser.] Ottawa, March 16 .- "Could there be worse time for it to be announced t This is the brief message conveyed the world that Canada, the greatest of

rier against the mother country time when the motherland was struggling with the greatest war in history? asked Hon. George P. Graham, at the close of the budget debate in Parlia ment this morning. Generous Offer "I have an offer to make the Financial Minister which should prevent this undesirable announcement going to the

said Mr. Graham. "Here and tation. Through the statements which so strenuously objected to. This will be we are willing to make it in order that Mr. Fullerton left this city with the the announcement may not go to the guilty of an unfriendly act towards the motherland." Obedient Majority.

To this offer there was no response from the Government. By silence it insisted that the British preference must be hamstrung, and the vote was called The Government majority was obedient. A hundred and four French and

British Canadians behind Sir Robert

Borden voted against Sir Wilfrid's amendment, which deprecated the increase of protection and the curtailment of the preference. Fifty-nine Opposition votes were recorded, so the Speaker declared that the Government had its way by a ma-

jority of 45. To Escape Criticism The Administration desires to escaperiticism of its fallings. In the boo committee, solders testified that when their boots were out after twelve days' with speed. Notice is given that shorten the session the House, begi

ning with next week, will sit in the ornings and on Saturdays.
