NO CAUSE FOR WORRY WHEN CHILDREN HAVE SUMMER COMPLAINTS

There is not a summer passes but that thousands of men, women and children are attacked by summer complaints such as diarrhoea, dysentery, colic, cramps and pains in the stomach, cholera morbus, cholera infantum, etc.

In looking for relief you should not delay in getting a bottle of Dr. Fowler's Extract of Wild Strawberry, a remedy that has been on the market for the past 77 years, and has stood the test of time.

Mrs. Geo. Chapman, Sudbury, Ont., writes: "I am the mother of five children, and I must say they are seldom sick or in need of medicine. They are, however, sometimes troubled with summer complaint, diarrhoea, and such like, but I always find there is no cause for worry, as I just give them two or three doses of Dr. Fowler's Extract of Wild Strawberry, and the trouble soon disappears. It is a remedy that all mothers should keep in the home for the children."

"Dr. Fowler's" is 50c a bottle; put up only by The T. Milburn Co., Limited, Toronto, Ont.—Advt.

WITH THE BRIDES

STONER-MISKEN.

Throngs of guests and other interested spectators were attracted to the Latter Day Saints' Church, Maitland street, Wednesday afternoon, for a pretty wedding which took place at 2 o'clock. Elder James Wein-garden, pastor of the church, officiating, when a popular young member of the church, Miss Doris Massey, and Warren Stoner of Niagara Falls, were united in marriage. The evening before, the attractive church auditorium had been further beautified with a profusion of summer flowers by girls of the Sunday school. Marguerites and brown-eyed susans banked the windows, tall cat-tails forming an effective background for the sheaves of vari-colored blossoms which surrounded the choir gallery. The bridal party stood, during the ceremony, beneath a great white wedding bell. Pews for invited guests were marked by clusters of marguerites, tied with tulle bows. Miss Dorothy Timbrell presided at the organ, playing the nuptial music, and Mrs. Frank Gray sang an appropriate number during the signing of the register.

The bride, who was given in marriage by her brother, Mr. Peter Miskin of this city, was charming in a wedding gown of white satin, with pearl garniture, and wedding veil held in place with a wreath of orange blossoms. She carried Bridal roses, showered with sweet peas. Miss Marjorie Alford was a winsome bridesmaid, in a gown of apricot crepe de chine, with which she wore an apricot hat with silver grapes, and silver slippers, and carried sweet peas in harmonizing shades. The duties of best man were performed by the groom's brother, Samuel A. Stoner.

Following the service the wedding party and guests drove to the home of Mrs. Alda Lott, Empress avenue, where a reception was held, the rooms throughout being beautifully adorned with flowers.

The young couple left to spend a honeymoon in Toronto. Lewbanks and Kirkland, Ohio, after which they will take up their residence in Niagara Falls. For traveling the bride donned a becoming costume of peacock blue, and taupe felt hat.

PUT YOURSELF IN MY PLACE. Dear Miss Grey—Son, time ago I wrote you for a little help, which I have not yet received. Since then we have a new baby girl, which takes all my strength away. I am not yet strong. I wanted help in old clothes for two girls (twins), 2 years old, and a boy of 5 years I am anxious to send to school. Thank you for the past. I have no money to send you, but I will. Yours very truly.

YOUNG MOTHER NO. 2. Poor, tired, anxious little Mother No. 2, I am sorry indeed that the assistance you asked has failed to reach you. So many appeals have come in recently that Boxites have been kept busy trying to meet the needs of others. Their hearts are in the right place, but I feel sure you will not ask in vain this time, particularly when readers realize the strain you are under with the new baby girl to add to your responsibilities. Handshakes result from an operation. Now, if any of the Boxites have had anything like this, could they tell me what would help me? I would be very grateful for any advice along this line, as my arm has lost all its strength and is badly swollen.

I owe several Mail-Box friends a letter. You will know why I have not answered, as I have been feeling so poorly. Wishing you all the best of health.

Dear Elgora, what a bright idea, to have postcards printed bearing the picture of the children's hospital and sell them to make our fund reach its objective more quickly. We will have to see what we can do.

Am so sorry about your own ill-health, and sincerely hope some of the Boxites have suggestions for you. Am sending you a little personal letter. Hope you will get relief for your arm very soon.

MAYFLOWER ARRIVES. Dear Miss Grey—I have not been in your Corner very long. It is very interesting. I wish that you would please give me As-phutle's address. I am of her age. I wish you many happy wishes. Yours truly,

MISS MAYFLOWER. What a nice name you have chosen for yourself, Miss Mayflower. Do you think any flowers in all the year are so sweet as the dainty ones that peep out in May to whisper summer is coming? A dreadful thing almost happened. I nearly missed turning over your letter and finding your address on the back. Then I would not have been able to send you As-phutle's address, and very sad indeed, your name would not be written right away in our family list. You must send another letter soon, and tell us about the things you like and the things you are doing. Here's hoping you and As-phutle enjoy writing to one another.

LAUGHED TILL SHE CRIED. Dear Miss Cynthia Grey—I have just had such a laugh, even until tears rolled down my cheeks, after reading Lonesome for Blighly's letter. Oh, say it made me think I was right there. Many's the time I have said, "How about a trip round town

and through Lewis' big departmental? Even if you don't spend any money you can enjoy looking around. Gee, I know all those places mentioned. Whoever Lonesome for Blighly is she knows my home town pretty well. I wonder how many real Lonesome shire lassies and lads have seen that letter in the Boxites' column? I did not see my last letter in print. Thanks for Mrs. H's address. I also sent my address in case it should be asked for. I was glad to see the report in the paper how the Boxites' fund was getting so high. I am inclosing a little for hospital fund.

MY LANCASHIRE LASSIE. Was sure you would enjoy that letter from Lonesome for Blighly. Mrs. H. wants to write to her too, so the circle of Lancashire lassies is drawing closer together. Received your last letter, answered it, and delay in appearing has been due to shortage of space, not the intentions of Cynthia. Your address is duly enrolled in our family book. As always, your note is a welcome addition to the S. C. H. fund, which is climbing beautifully.

CATHOLIC WOMEN PLAN AUGUST GARDEN FETE

Proceeds of Event in St. Peter's Grounds to Improve Sunshine Park.

Holding a meeting this week, the Catholic Women's League of London, presided over by Mrs. Joseph Leech, arranged for a grand midsummer garden fete, to be held in the grounds of St. Peter's Cathedral on the evening of Aug. 10, the proceeds to go for improvement and equipment at Sunshine Park, the athletic grounds for Catholic children and young people in the north end of the city.

A good representation was present from the various parishes, and Mrs. R. H. Dignan was named general convenor of the entertainment. A band will be in attendance and other entertainment features will be provided.

Sunshine Park, for which land was donated by Bishop Fallon, who takes a very keen interest in athletics, has been affording much enjoyment to the Catholic young people of the city this summer. Children throng daily there to play and a baseball match is always assured each evening when weather permits. The tennis courts are especially appreciated by the girls.

"MISSION THIMBLE CIRCLE." The Mission Thimble Circle of Cook's Church, Caradoc, met at the home of Miss Dorothy McRobert last week. Miss Mamie Mills, vice-president, conducted the meeting.

The topic was given by Miss P. Sutherland on "Formosa," showing some of the progress that has been made there in the past few years. Japan has made many improvements for the building up of the country, but it is the work of the missionaries to bring the gospel story, said the speaker. Miss Mamie Mills gave a very interesting report of the summer school in St. Thomas, giving an idea of the many phases of the church work being carried on. At the close of the meeting refreshments were served by the hostesses.

Create Gas, Sourness and Pain—How To Treat.

Medical authorities state that nearly nine-tenths of the cases of stomach trouble, indigestion, sourness, burning, gas, bloating, nausea, etc., are due to an excess of hydrochloric acid in the stomach and not as some believe to a lack of digestive juices. The delicate stomach lining is irritated, digestion is delayed and food sour, causing the disagreeable symptoms which every stomach sufferer knows so well.

Artificial digestants are not needed in such cases and may do real harm. Try laying aside all digestive aids and instead get from any druggist a few ounces of Bismuth Magnesia and take a teaspoonful in a quarter glass of water right after eating. This sweetens the stomach, prevents the formation of excess acid and there is no sourness, gas or pain. Bismuth Magnesia (in powder or tablet form—never liquid or liquid) is harmless to the stomach, inexpensive to take and is the most efficient form of remedy for stomach purposes. It is used by thousands of people who enjoy their meals with no more fear of indigestion.—Advt.

A case is sold at one dollar by all druggists the world over, or send the price direct to the Marmola Co., 4612 Woodward Ave., Detroit, Mich.
