

200 COSTUMES TO GO ON SALE MONDAY

Our Greatest Costume Sale Starts Tomorrow Morning

Just when a costume bargain is appreciated the most, our representative, who is in the East, sends along a splendid purchase of suits—the best we have seen. They will be placed on sale tomorrow, and the assortment is such that any person wishing a costume can readily be suited—every suit being new, and no better styles are shown, no matter what the price. The suits, of which there are about two hundred, were bought at our own price—the maker certainly could not make the garments up for the price he sold them for, and he is one of the best women's tailors in Canada. We do not believe that we have ever made an offering of costumes that equals this one for genuine merit—the styles and cloths are so new, right-up-to-the-minute (not what you find at end-of-the-season clean ups) but new, fresh stock, and at prices that are offered but seldom for goods having the merit these possess.
