

Father Morrissey's Liniment Relieves Pain

Aches and pains yield quickly to Father Morrissey's Liniment. It is absorbed quickly by the skin, and penetrates deep into the tissues, making it splendid for sore muscles, stiff joints, rheumatic pains, backache, sore throat or lungs, or any deep-seated pain.

It eases at once and heals surface hurts, such as cuts, bruises, burns, scalds and frost-bites.

For tooth-ache and ear-ache it is an excellent remedy.

Father Morrissey's Liniment is exceptionally good as a "rub" for athletes. It takes out stiffness and soreness after severe exercise, and never blisters the skin.

Keep a bottle handy, for

"There's ease in every drop",

25c. a bottle—at your dealer's.

DEATH AND DISASTER FROM AN AIRSHIP

France's Minister of War Killed and Premier Monis
Badly Injured on Sunday

Paris, May 21.—Aviator Train, one of those about to start to-day in the Airship race from Paris to Madrid, lost control of his machine while taking a preliminary flight over the starting place in a wind blowing thirty miles an hour, and dashed into a group of members of the cabinet who were present to witness the start of the race. Neither Mr. Train nor his passenger was hurt.

Henri Maurice Berteaux, Minister of War, was hurled ten feet and killed.

The injured are: Antoine Emmanuel Ernest Monis, premier and minister of interior; Antoine Murphy, son of the premier; and Henri Deutchi de la Meurthe, the aged patron of aeronautic, automobilism and other sports.

A large number of persons of note had narrow escapes from injury. The accident occurred on the aviation field at Issy Les Moline, and was witnessed by 200,000 persons.

The Premier was very badly hurt; the others but slightly.

ANOTHER TRANSCONTINENTAL

The Canadian Northern Railway Co. (whose stock is largely owned by MacKenzie and Mann) have let contracts for their line from Ottawa to Toronto. Their line already extends from Port Arthur to the Rocky Mountains and is being fast built through British Columbia between the Grand Trunk Pacific and the Canadian Pacific railways. Another link connects Ottawa and Quebec. And the Dominion Parliament has agreed to guarantee the bonds required to build the missing link from Port Arthur to Ottawa. Then with the Intercolonial, there will be a third Transcontinental. Truly Canada is growing with marvellous rapidity.

PARLIAMENT ADJOURNED

Parliament adjourned on the 20th instant, and will take a recess of about two months. The Reciprocity agreement is held over till July. But it is not killed in the United States Senate by the efforts of United States farmers (who seem to think that Canada is getting the better of the bargain) it will most probably go into effect before the end of this year, as the majority of Canadians both inside and outside of parliament appear to be in favor of it.

That woman suffrage was gaining ground in Great Britain is shown by the fact that in the House of Commons on Friday a bill for woman's enfranchisement received 255 votes out of 343. The bill, which was introduced by a Liberal member, would enfranchise a million women.

Miss Annie Stewart went to Campbellton on Tuesday to spend a short vacation.—Advocate

AFTER SUFFERING YEARS

Cured by Lydia E. Pinkham's Vegetable Compound

Fox Creek, N.B.—"I have always had pains in the loins and a weakness there, and often after my meals my food would distress me and cause soreness. Lydia E. Pinkham's Vegetable Compound has done me much good. I am stronger, digestion is better, and I can walk with ambition. I have encouraged many mothers of families to take it, as it is the best remedy in the world. You can publish this in the papers." Mrs. WILLIAM BORTON, Fox Creek, N.B., Canada.

The above is only one of the thousands of grateful letters which are constantly being received by the Pinkham Medicine Company of Lynn, Mass., which prove beyond a doubt that Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, actually does cure these obstinate diseases of women after all other means have failed, and that every such suffering woman owes it to herself to at least give Lydia E. Pinkham's Vegetable Compound a trial before submitting to an operation, or giving up hope of recovery.

Mrs. Pinkham, of Lynn, Mass., invites all sick women to write her for advice. She has guided thousands to health and her advice is free.

The news that Queen Alexandra will be absent from the coronation will give the United States scandal editors a chance to take up a domestic disagreement in the royal family.
