A SPRING TONIC.

Dr. Williams Pink Pills Make Rich Red Health giving Blood.

Red Health giving Blood.

Cold winter months, enforcing close confinement in over-heated, badly ventilated rooms—in the home, in the shop and in the school—sap the vitality of even the strongest. The blood becomes clogged with impurities, the liver sluggish, the kidneys weakened, sleep is not restful—you awake just as tired as when you went to bed, you are low spirited, perhaps have headache and blotchy skin—that is the condition of thousands of people every spring. It comes to all unless the blood is enriched by a good tonic—by Dr. Williams Pink Pills. These pills not only banish this feeling, but they guard against the more serious ailments that usually follow—rheumatism, nervous debility, anaemia, indigestion and kidney trouble. Dr. Williams Pink Pills are an ideal spring medicine. Every dose makes new, rich, red blood. Every drop of new blood helps to strengthen the overworked nerves, overcomes weakness and drives the germs of disease from the body. A thorough treatment gives you vim and energy to resist the torrid heat of the coming summer. Mrs Jas. McDonaid, Sugar Camp, Ont., says: "I was badly run down, felt very weak and had no appetite. I could scarcely drag myself about and felt that my condition was growing worse. I decided to try Dr. Williams Pink Pills and before I had used a dozen boxes I was as strong as ever. My appetite returned and I am now able to do my housework without feeling worn-out. I think Dr.

Williams Pink Pills the best tonic there

williams rime rims to take purgatives inspring. Nature calls for a medicine to build up the wasted force—purgatives only weaken. It is a medicine to act on the blood, not one to act on the pure, rich, red blood, and streagthen every organ of the body. See that the full name. "Dr. Williams' Pink Pills for Pale People," is printed on the wrapper around each box. All other so-called pink pills are fraudulent imitations. Sold by medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr Williams Medicine Co., Brock-ville, Ont. ville, Ont.
