YOUTH AND MARRIAGE .- Youth is easily attracted and decided soon. It forgets that the fanciful preterence of a moment may not times when vacancy is most distressing-in unmindful that, looking to this world merely, disagreeable company in theatres before occasions will come for which the graces of Which knows no empired all! unfelt, unseen, the curtain rises—in mobs, that with noise the Ball room are no sort of preparation. It and odour leave no sense but the eye at liber- rashly takes the eye which can sparkle in their ty—in political meetings when S——is on morning brilliancy, for those which will weep his legs. In short, this habit of observation, meakly in sorrow, and kindle with a steady with a view to a certain system, is a pocket encouragement in the midst of care, and hold companion, that serves to amuse and occupy a light which can cheer, when all other light on the earth was waxed dim. It is so wild Nor is the moral tendency of these studies es to mistake the flutterer of the hour, for the to be overlooked. See, for instance, how same being who will be the ministering angel much the indulgence of a morbid feeling is of sickness and decline. It needs to be recombated by the discovery that the organ of minded, that if there is any engagement in melancholy is the same with that of cowardice. life, which is not to be formed under the arbi-And Lavater's doctrine, that the habiteal tration of caprice, it is that which is not dis-thoughts and propensities of the mind become solved, till the parting shall come at the lader depicted in the countenance, has to my own bier, and the open grave. It must be conjurknowledge, arrested youth in an unreflecting ed to remember that if there is any step in career of licentiousness. Few people are conscious how just the opinion is, and how reverently, discreetly, advisedly, soberly, praylittle the accurate observer is deceived; many erfully, and in the tear of God, it is that step

TRADITION OF THE FOX INDIANS.—During may say, time is money. he time of Frontinac's government of the gument of the alternative influence of the Canadas, the French occupied a post at green time is money. Time is money to yourself Trappe would fill up the dangerous dimple was promised. But Indians are proverbially health is injured; and time is lost besides, of a luxurious chip, or that any degree of hu- slow, except in the chase or fight : in all and money is lost. You suffer, and your fanose. For original character the stationary sel and delay to act. Pending the interval Your wood is not so well cut. Your tools

are visible to the eyes. People of strong feel- No people regard with more holy feelings Does the season stand still? Does life stand whole or in part, or navigated for, or in beings, too, are compelled to acquire dissimula-tion, and it is over the eye and muscle of the became the first duty of the survivors, under cheek that they exert it; the calm face and the influence of this feeling after the contents can't take a news paper. You can't read the sel, and, on any foreign shore, seize any negro blank eye contradict emotion, the tremulous to collect the bodies of the slain that lay scat papers; you can't buy and read any books or mulatto, not held to service or labor by the gines, for ascertaining characters in this physical way that will not attract attention and lip betrays it. But let me not proceed farther tered over these two battle fields; and, as is The reason is you do not know that time is laws of either of the states or territories of in these minutiæ, lest the reader should sus- the Indian custom of those regions to this day money.

From an Album. To Miss L. B.

I would twine for thee a fadeless wreath; Immortal as the essence of thy mind, A wreath o'er which Time's desolating breath

Might ineffectual's weep from earthly dross refined. Thine he the heart, whose bliss bath ever been Derived from that pure genuine cast of thought,

. By wayward fancy, to existence wrought. The faithful, steadfast mind, whose soaring flight, Above the trivial cares of time, looks down, Franquil and calm -as does the Queen of night. Upon the dark earth's lowering, gloomy frown:

The poble soul elate, whose lofty aim. Aspiring, strives at Virtues heavenly shrine, ternal blessing's from its saint to gain,

As fadeless wreath of love and grace divine And may thy earthly lot, he richly blest, And when the grave receives thee to its rest,

TIME IS MONEY. Few know that time is money. Time wel mproved will earn money, or it will procure that which money will buy, and therefore we

May thy pure spirit, wing its flight to heaven

TRIAL FOR PIRACY.

(From the Boston Atlas, of Saturday.) An interesting trial came on yesterday in Battiste sailed from New York in July. 1834, Grinnell of New Bedford. The America was Not guilty. bound to St. Helena or a market, and sailed under the command of Captain Miller, who 000, Here the America remained about England, forms a source of reflection to a lo-

welve negro'slaves as passengers. making any resistance. The negroes were and unutterable attraction. To those who morning in one of the boats of the brig : the the object of your search is beyond the limits cantain and mate going with them. The America then sailed South to Fish Bay, and
