At a special meeting of the town council held Monday evening, the water committee was authorized to extend the pipe at the Crosshill Lake until a depth of four feet of water was reached, in order to avoid having the shallow surface water of the lake run through the pipes, the water having been necessarily lowered for working purposes. Mr. Boer was also released from a part of his agreement by which he was to build a box to connect the lake with the reservoir. It was also ordered that all sinking funds on deposit in the Bank of Nova Scotia be transferred to the Union Bank of Halifax.
