

FALLACY OF BUYING BY MAIL

How would you like to journey to the nearest city for a pound of sugar, or a yard of muslin, or a spool of thread, or a smoke? And how would you like to make the trip when you need a prescription filled in a hurry, with death running you a race?

You would make some noise if forced to such an extremity—and then more noise.

You would say—and justly so—that a town in which you cannot buy a pound of sugar, or a yard of muslin, or a spool of thread, or a smoke or even get a prescription filled, is a mighty poor excuse for a town and not worth living in.

Yet our merchants can only afford to keep these things for your conven-

iences as long as you buy other things from them.

It is not doing this town any good to buy the little things here and then send to a catalogue house when you want something on which the merchant has a chance to make a dollar.

Neither is it doing you any good for the prosperity of each citizen is dependent to a large extent upon the prosperity of the community as a whole.

We are not telling you something you do not know.

We are simply refreshing your memory in hopes the time may come when our people will conclude that a town that is worth living in is worth trading in.

That's all.

N. S. MAN ARRESTED.
John F. Todd Charged With Jewel Theft, Totalling \$100,000.

Boston-John F. Todd, former Nova Scotian, known to the police as the "man with a toupee" was arrested in a hotel here Saturday on charges of breaking and entering and larceny of more than \$100,000 worth of jewelry from summer homes on the New England coast.

Because he was said to have always worked alone and to have several times eluded police cordons in the high powered car which he always parked near the scene of his operations, he was widely known as a romantic figure.

About fifty years of age and a painter by trade, Todd is said to have served time in Sing Sing and Connecticut state prison. He became bald several years ago and his attempts to disguise this earned him his police sobriquet.

ANOTHER AUTOPSY.
Beverly, Mass.-At the request of the counsel defending Mrs. Risteen and Plummer another autopsy was ordered today on the body of Fred Risteen.

The autopsy, the third to be held since the body was found, is based on the woman's claim that Risteen met death by striking his head against a rock when he fell during a fight with Plummer. Medical Examiner Stickney, of Beverly, had found that death was due to strangulation. A piece of telephone wire was wound tightly about the neck when the body was taken from the water.

Funeral services, arranged for this afternoon at North Beverly, were postponed in consequence of the autopsy order.
