A RARE CHANCE

We have about 40 nuclei—Carniolans and Italian crosses—which we will sell at \$2 to \$2.50⁰ on three combination frames, with sufficient stores for transit. Each nucleus will contain a choice queen to breed from, raised from extra fine mothers, selected specially for the honey gathering qualities of the progeny.

We have a few imported Carniolan queens (received this season) which we will sell at \$3 each.

Fifty colonies of choice bees, in 8 frame combination hives, Italian and crosses, at \$4 to \$4.50, each with good queens and most of them with considerable stores.

The above prices are for immediate delivery, and to those who wish to change their queens or stock, this is an excellent opportunity.
