FROM THE OLD WORLD.

From the great London (Eng.) Times.

Among the many specifics introduced to the public for the cure of dyspepsia, indigestion, derangements of various organs, and as a general family medicine, none have met with such genuine appreciation as Hop Bitters. Introduced to this country but a comparatively short time since, to meet the great demand for a pure, safe and perfect family medicine, they have rapidly increased in favour, until they are, without question, the most popular and valuable medicine known. Its world wide renown is not due to the advertising it has received. It is famous by reason of its inherent value. It does what is claimed for it. It dispels all morbid influences without any of the evil effects of other bitters or medicines, being perfectly safe and pleasant to use. Few are the home-remedies of the great discovery has not already been hailed as a deliverer and welcomed as a friend. It does what others affect to do. Composed of simple materials, it is a marvel of delicate and successful combination. Nothing is wanting. Every ingredient goes straight to the mark at which it is aimed, and never fails. Pleasant to the palate, agreeable to the stomach, and thoroughly effective as a cure, it has won for itself the confidence of all—Times, London, England.

A Few Unsolicited Letters From Home-Remedies Received.

Feb. 1883. I have tried experiments on myself and others with Hop Bitters, and can easily recommend them as a pleasant and efficacious medicine. I have found them especially useful in cases of congestion of the kidneys as well as in various derangements. Rev. J. MILLER, M.A., Rector to the Duke of Edinburgh.

U. S. Consulate, MANCHESTER, ENGL., Nov. 8, 1882. Gentlemen—Since writing you of the great benefit I had derived from taking "Hop Bitters," I gave a friend a bottle, who had been suffering much from dyspepsia and sluggish liver, and the change was marvellous. He appeared another being altogether. He had tried several other remedies without any benefit. I could name over a dozen other marvellous cures. ARTHUR C. HALL, Consular Clerk.

LONDON, ENGL., Sept. 1, 1882. I am pleased to testify to the good effects of your "Hop Bitters." Have been suffering a long time with severe pain in the left side and across the loins, and, having tried a number of so-called remedies without any benefit, I am glad to acknowledge the great relief I have obtained from your medicine. CHARLES WATSON.

COLCHESTER, ENGL., Aug. 18, 1882. Gentlemen—I was troubled with a very bad form of indigestion for a long time, and tried many things in vain, until I got some "Hop Bitters," and on taking was quite cured, and remain so till this time. It is now three months ago since I was bad. F. BELL.

From Rev. J. C. BOYCE, M.A., Oct. 30, 1882. Dear Sirs—I have lately finished my first bottle of "Hop Bitters." After having for many years suffered acutely from rheumatic gout (inherited) I feel so much better, and can walk so much more freely, should like to continue the use of it. I write to ask how many bottles you will let me have for £1, so that I may always have some in stock.

From Gold Ireland. DUBLIN, Nov. 22, 1882. Gentlemen—You may be interested to learn that one of the most eminent Judges on the Irish bench (a customer of mine) highly approves of your Hop Bitters, having received great benefit from their use. T. T. HOLMES, Chemist.

ALEXANDRIA PALACE, LONDON, ENGL., April 18, 1883. I find Hop Bitters a most wonderful medical combination, healthful, blood purifying, and strengthening. I can, from analysis as well as from medical knowledge, highly recommend them as a valuable family medicine. BARBARA WALLACE GOTHARD, Supt.

LONDON, ENGL., Feb. 1, 1883. Gentlemen—For years I have been a sufferer from kidney complaint, and from using your Hop Bitters am entirely cured, and can recommend them to all suffering from such disease. WILLIAM HARRIS.

SHEFFIELD, ENGL., June 1, 1883. Sir—Having suffered from extreme nervous debility for four years, and having tried all kinds of medicine and change of scene and air without deriving any benefit whatever, I was persuaded by a friend to try Hop Bitters, and the effect, I am happy to say, was almost marvellous. Under these circumstances I feel it my duty to give this testimonial for the benefit of others, as I may say I am now entirely well, therefore I can justly and with confidence give personal testimony to any one wishing to call upon me. Yours truly, HENRY HALL.

NOTWICH ENGL., June 20, 1883.

To the Hop Bitters Co. Gentlemen—Having suffered for many years from biliousness, accompanied with sickness and dreadful headache (being greatly fatigued with overwork and long hours at business), I lost all energy, strength and appetite. I was advised by a friend in whom I had seen such beneficial effects to try Hop Bitters, and a few bottles have quite altered and restored me to better health than ever. I have also recommended it to other friends, and am pleased to add with the like result. Every claim you make for it I can fully endorse, and recommend it as an incomparable tonic. Yours faithfully, S. W. FITZ.

From Germany. KATZENBACHHOFF, GERMANY, A.G. 18, 1882. Hop Bitters Co. Dear Sirs—I have taken your most precious essence Hop Bitters—and I can already, after so short a time, assure you that I feel much better than I have felt for months. I have had, during the course of four years, three times an inflammation of the kidneys. The last in January, 1880, was the worst, and I took a lot of medicine to cure the same, in consequence of which my stomach got terribly weakened. I suffered from enormous pains, had to bear great torments when taking nourishment, had sleepless nights, but some of the medicine was of the least use to me. Now, in consequence of taking Hop Bitters, these pains and inconveniences have entirely left me. I have a good night's rest, and am sufficiently strengthened for work, while I always had to lay down during the day, and this almost every hour. I shall think it my duty to recommend the Bitters to all who suffer, for I am sure I cannot thank the Lord enough that I came across your preparation, and I hope He will maintain you a long time to come for the welfare of suffering mankind. Yours very truly, PAULINE HAUSLER, (Mrs. Rottler).

From Portugal and Spain. Gentlemen—Though not in the habit of praising patent medicines, which for the most part are not only useless but injurious, I have constantly used Hop Bitters for the past four years in cases of indigestion, debility, feebleness of constitution and in all diseases caused by poor or bad ventilation, want of air and exercise, overwork and want of appetite, with the most perfect success. I am the first who introduced your Hop Bitters in Portugal and Spain, where they are now used very extensively. Yours very truly, BARON DE FONTA BELLA, Professor de chemie et de Pharmacie, Coimbra university, Coimbra, Portugal.

"Her urine often contained mucus, pus, and was sometimes bloody. Physicians' prescriptions—my own included—and domestic remedies only palliated her pains. Kidney-Wort, however, has entirely cured her."
