Sparkles.

YOUNG WIFE: I wonder the birds don't come here any more. I used to throw them bits of cake I made, and— Young Husband: That accounts for it.

"The doctor said he'd put me on my feet again in two weeks." "Well, didn't he do it?" "He did, indeed; I had to sell my horse and buggy to foot the bill."

OMAHA Wife: What under the sun are you doing? Husband: Trying to tie this string around my finger. Wife: Why, I did not ask you to do any errand. Husband: No. This string is to remind me that I have nothing to remember to-day.

A LITTLE miss had prepared to recite in Sabbath school the line "Search the Scriptures." When the teacher asked for her verse, however, she hesitated, then bravely uttered the words "Hunt for the prescription."

FOR eight years I was troubled with a sore on my leg which resulted from having it broken. The doctors kept me in bed five months trying to heal it up, but all to no purpose. I tried all sorts of salves, liniments, ointments, pills and blood medicines but with no benefit. In 1883 it became so bad that I had to sit on one chair and keep my foot on another for four months. I could not put my foot on the ground or the blood would rush out in a stream and my leg swelled to twice its natural size. Eleven running sores developed on it which reduced me to a living skeleton (I lost seventy pounds in four months). Friends advised me to go to the Hospital; but I would not, for I knew they would take my leg off. The doctor then wanted to split it open and scrape the bone, but I was too weak to stand the operation. One old lady said it had turned to black erysipelas and could never be cured. I had never heard of Burdock Blood Bitters then, but I read of a minister, Rev. Mr. Stout, who had been cured of a severe abscess on the neck by B.B.B., after medical aid had failed, and I thought I would try it. I washed the leg with the Bitters and took them according to directions. After using one bottle I could walk on crutches; after taking three, I threw away the crutches, took a scythe and went to work in the field. At the end of the sixth bottle my leg was entirely healed up; pieces of loose bone had worked out of it and the cords came back to their natural places again. That was nine years ago and it has never broken out since; I can walk five miles to-day as fast as any one, and all this I owe to B.B.B., which certainly saved my leg if not my life. I cheerfully recommend it to all sufferers. Give B.B.B. a trial, and it will cure you as it did me. Yours truly, WM. McNEE, St. Ives, P.O., Ont.

Mr. F. C. Sanderson, the druggist of St. Marys, Ont., certifies to the entire truthfulness of the remarkable statement made by Mr. McNee, and says that several other wonderful cures have been made in his district by this unrivalled remedy for bad blood, dyspepsia, biliousness, constipation, and all diseases of the stomach, liver bowels and blood.

If a man gets up when the day breaks, can he be said to have a whole day before him?

NOAH was the first pitcher on record. He "pitched the ark with in and with out." The game was finally called on account of rain.

THE one thing needful.—Great politician: What must I do to gain the unanimous applause of the press? Great Head: Die.

If the early bird which catches the worm would rush matters a little and visit the electric lamps, he could get his fill of bugs.

SHE: It certainly must mean something when a man puts a diamond ring on a girl's finger. He (cf hard experience): It means that he owes some jeweller two or three hundred dollars.

HE: I think Dolly Griggson is terribly rude. I was telling her one of my best stories this afternoon and she fell asleep. She: That's strange. She told me yesterday that she was troubled with insomnia.
