

SECOND GRAND SPECIAL OFFER.

We have received so many orders from our offer of a few weeks ago to the readers of "THE EDUCATIONAL WEEKLY," that we have decided to make a second SPECIAL offer.

READ WHAT FOLLOWS: THE NEW ARITHMETIC

COMPILED BY THREE HUNDRED PROMINENT EDUCATORS.

4,000 COPIES SOLD. PRICE ONE DOLLAR.

From "THE JOURNAL OF EDUCATION," Boston.

THE NEW ARITHMETIC contains a much larger number of eminently practical examples than can be found in ordinary school arithmetics. The book is made upon the best modern plan, and graded with unusual care into seven departments, to which are added excellent examination exercises.

From A. MASON, Elder's Mills, Ont.

"I am delighted with THE NEW ARITHMETIC. It far surpasses my expectations."

From PROF. JAS. W. ELLIOTT, Cassville, Pa.

"THE NEW ARITHMETIC has my unqualified endorsement. I shall adopt it in my school next term."

From REV. W. WETHERALD, St. Catherines, Ont.

"THE NEW ARITHMETIC to hand. Let me congratulate you on the substantial binding, good paper, beautiful typography—superior to any other book of its class I have seen."

From CHAS. S. EGGLETON, Bogart, Ont.

"I have received my ARITHMETIC. It is, in my estimation, the best of six that I own."

From W. J. ROBERTSON, M.A., LL.B., St. Catherines, Ont.

"THE NEW ARITHMETIC is admirably printed, and presents a most tasteful appearance; in fact it is externally the most creditable text book in Canada."

HUNDREDS OF SIMILAR TESTIMONIALS COULD BE GIVEN.

HINTS AND ANSWERS TO THE EXERCISES CONTAINED IN "THE NEW ARITHMETIC."

This little book contains the answer to every exercise in the Arithmetic, and *hints* to the solutions of the more difficult examples. Some new methods are explained in it. PRICE, 50 CENTS.

THE EXAMINATION MANUAL.

This is a neatly printed book of 175 pages, containing *six* sets of Entrance Papers, and *three* sets each of Third Class, Intermediate, Second Class, and First Class (all grades) Examination Papers. PRICE, 50 CENTS.

THE JUNE "SUPPLEMENT."

The June number of THE SCHOOL ARITHMETIC is now ready. It is without exception the most interesting number of that paper yet issued. The portrait and biographical sketch of Mark Twain, which appear on the first page, are alone worth a year's subscription. Get this number if you desire excellent holiday reading. PRICE, 10 CENTS.

OUR SECOND OFFER:

To every reader of the Educational Weekly, who, before August 1st, 1885, sends One Dollar, and ten cents for postage, we shall mail, post free, all of the above, viz.: The New Arithmetic, The Hints and Answers, The Examination Manual, and the June Supplement.

☞ THE BOOKS ARE READY AND WILL BE SENT BY RETURN MAIL. ☞
