And what a Magazine it is! For 1897 it will be more brilliant than ever before. New management, new methods, new ideas. Each copy contains an exquisite reproduction in colors of some celebrated picture by a famous artist, worthy to adorn the walls of the most refined home. It is affirmed that DEMAREST'S is the only complete Family Magazine published combining all of the most excellent points of its contemporaries, besides having inimitable features of its own. DEMAREST'S is actually a Dozen Magazines in one.

It is a Digest of Current Events and Ideas, the busy man or woman, a Review and Storehouse of Interest for all. Wives, mothers, sisters and daughters can find exactly what they need to amuse and instruct them, also practical helps in every department of domestic and social life, including the furnishing and ornamenting of the home, embroidery, bric-a-brac, artistic and fancy work of all kinds, etc., etc., and suggestions and advice regarding the well-being and dressing of their own persons.

The scope of the articles for 1896 and 1897 will cover the whole country and its varied interests, and the articles will be profusely illustrated with the finest engravings, and, in addition, it will publish the best and purest fiction. It treats at length Out-of-Door Sports, Home Amusements and Entertainments; it gives a great deal of attention to the Children's Department, and "Our Girls," and has a Monthly Symposium by Celebrated People, in which are discussed important questions of the hour of interest to the older readers.
