

How Did They All Get in There?

THIS is a question frequently asked by wondering listeners on hearing the Berliner or Victor Gram-o-phone. It is really phenomenal that you can hear the stirring music of the world's greatest bands, the magnificent voices of the most famous grand opera stars, the side-splitting jokes and comic songs of the funniest minstrels, the beautiful gospel hymns by noted soloists and celebrated choirs.

Ask your dealer to play some of the newest Victor records on a Berliner or Victor Gram-o-phone. Write to us for complete catalogs of Gram-o-phones and 3,000 records.
