POSITIVELY THE FIRST AND ONLY FILLED-GOLD Engine-Case American Movement Watch

EVER SOLD FOR \$8.75.

These watches
are of the latest
style patterns
and beautifully
finished.

We have secured them, but there is only forty gross of 5760 Watches in this lot and we can't get any more after these are gone, anywhere near the price we are selling them at. So if you want a reliable time-keeper, you should order at once. We warrant these Watches to be American Movement, Expansion Balance, adjusted to four positions, and to be perfect timekeepers. The cases are filled gold, beautifully engraved and warranted Five Years by the manufacturer. This Watch is a bargain of a lifetime, and you can sell them as fast as you can show them for from \$7.00 to \$15.00 each. Stem Winders and Setters.

With each watch we send our Catalogue of Watches and Jewelry, and only ask us a favor that you show it with the Watch you purchase to your friends and acquaintances. We will send this Watch C. O. D. by Express upon approval if you send us \$1.00 as a guarantee of good faith. If the Watch does not suit you need not take it. If it is satisfactory send us balance by Express. If full amount, \$8.75, is sent with the order, we will include one of our special heavy Gold Plate Chains, which retails the world over for \$1.00, and prepay all charges. We refer to any newspaper publisher, Bank or Express Co. in New York City. Remit money by Express, Post Office or Express Money Order, at our risk. Call on or address: MORGAN & CO., 61 Murray St., New York.

THE HIGH SCHOOL Drawing Course.

Authorized by the Minister of Education.

The course is now complete :-

- No. 1—Freehand.
- No. 2—Practical Geometry.
- No. 3—Linear Perspective.
- No. 4—Object Drawing.
- No. 5—Industrial Design.

These books are all uniform in size and style, and constitute a complete uniform series. The same plan is followed through them all—the Text, the Problems, and opposite the Problems, in each case, the Exercises based upon them. The illustration is upon the same page with its own matter, and with the exercises, in every case, is a space for the student's work. Each copy, therefore, is a complete textbook on its subject, and a Drawing Book as well, the paper on which the books are printed being first-class drawing paper. The student using these books, therefore, is not obliged to purchase and take care of a drawing book also. Moreover, Nos. 1, 4 and 5 are the only books on their subjects authorized by the Department. Therefore, if the student buys the full series, he will have a uniform, and not a mixed series covering the whole subjects of the examinations, and edited by Mr. Arthur J. Reading, one of the best authorities in these subjects in this country; and recently Master in the School of Art.
