TORONTO MARKETS.

Toronto, July 24th, 1902.

Drugs, Etc.-A fairly Chemicals. active business is being transacted in local drug circles, though no special feature comes up for notice this week. Prices remain steady. The advance in cod liver oil appears now to have come to a standstill. Paris green is firm. From New York comes news of an improvement in the jobbing demand for quinine, but speculative interests still remain dull. Opium is quiet, but the price keeps steady.

Flour and Grain.-A certain degree of dullness is to be noted in the flour market, but 90 per cent. patents continue to be quoted at \$2.00 in buyers' bags, middle freights. Millfeed keeps quite steady. shorts selling at \$20.50, and bran \$15.50 middle freights. Oatmeal remains about the same. Ontario wheat is now somewhat scarce and has advanced in price about a cent. Corn is strong, though it made a considerable drop during the last few days in Chicago. Peas are dull. Oats are a little firmer.

Dry Goods.—The wholesalers report very busy conditions of late; indeed, so hard pressed are many of them that they find it difficult to fill orders from day to Travellers out on the road are sending in orders very freely. The good prospects are stimulating business as is also the improvement in the weather.

Vegetables. - Currants, Fruits and raspberries, and now gooseberries have
