AND
FANCY
Wood Work
OF ALL KINDS.

THE WOOD CARPETING

Has proved by its durability that it is the CHEAPEST COVERING for Kitchens, Offices, Stores, Banks, Halls, Laundries, Schools, Dining and Sitting Rooms, or Border for Drawing Rooms, and, where care is taken, it can be made to look as long as it lasts, which, in Private Houses, would be as long as an ordinary HARD WOOD FLOOR, or, at least, TEN TIMES AS LONG AS THE BEST ENGLISH OIL CLOTH.

The great advantage of these Floors is that they are Insect and Dust-proof, can be laid over any Floor without disturbing the arrangement of the Room materially, such as the Door Sills, Hearth Stones or Register. Being about $\frac{1}{4}$ inch thick, the wood is glued on Heavy Cotton Drill, and is manufactured at the Factory, 801 Craig Street, and can be shipped to any point, as it is portable and rolls up like oil cloth.

The Plain, or with more elaborate Style, with Fancy Borders, Initials, Monograms, Inscriptions, Centre Pieces, and Wainscots for walls, from $\frac{1}{4}$ to 1 inch thick, at from 40 cents to \$1.00 per square foot, finished.

Designs and estimates furnished, and Floors laid in all styles. Samples may be seen at the Manufactory,

801 CRAIG STREET, MONTREAL.

The following are a few of the many names who have been supplied with this really valuable and artistic style of manufacture.

Sir Hugh Allan,
A. Allan, Esq.,
