

BUSINESS NOTES.

Architects and others should be interested in the announcement in this number of Messrs. Sheldon & Sheldon, of Galt, Ont. It has reference to their hot blast system of heating for

schools, hospitals and other public buildings, factories, etc. They are successors to the McEachren Heating and Ventilating Co. and have had a long experience in this line. Particulars regarding their method of heating will be furnished any reader who will drop them a post card mentioning this journal.

### EXAMINATION TO QUALIFY FOR ASSOCIATESHIP

—IN THE—

ROYAL INSTITUTE OF BRITISH ARCHITECTS.

The Royal Institute of British Architects desiring to give facilities for those in the Colonies to qualify by examination for associateship in the R.I.B.A., will hold the fourth examination from June 24th to July 1st, 1904, in Montreal. Applications, fees and probationary work must reach London by the first mail arriving after April 9th, 1904. Intending candidates who must be not less than 25 years of age, can obtain application forms and copies of the previous examinations on application to

ANDREW T. TAYLOR,

Hon. Sec. R. I. B. A. for Canada, North British & Mercantile Building, 80 St. Francois Xavier St., Montreal

All who are full members of the Province of Quebec Association of Architects and the Ontario Association of Architects by examination, are exempt from probationary work.
