

purpose of their doing a working internship in the other country, living in their counterparts' homes.

The Mexican side took note of this programme and will study the possibility of carrying it out.

14. Canada, through the Province of Ontario, is interested in exchanging students at the senior-secondary-school and university levels for a period of three months.

The Mexican side will study the possibility of carrying out these exchanges, and will give its reply through diplomatic channels.

15. The Escuela Nacional de Estudios Profesionales [National School of Professional and Vocational Studies] (ENEP) of the UNAM, in Acatlán, will exchange students with Brock University.

The ENEP will provide the details on these exchanges through diplomatic channels, and the two institutions have expressed their wish to sign an agreement respecting cooperation and exchanges.

16. Canada is interested in exchanging translators, for a period of three months.

The Mexican side took note of this interest and will study the possibility of such an exchange being carried out with a suitable Mexican institution.

17. The Canadian side informed the Mexican side of the following support programmes of the Social Sciences and Humanities Research Council of Canada for promoting academic exchanges between institutions in the two countries:
