

Mission: 471 Warsaw
Market: 099 Poland
Key Sub-Sector: Fish, Shellfish and Other Products

Specific Product Opportunities

Frozen Round Herring
Frozen Round Mackerel

General Comments:

Although new commercial enterprises are mushrooming in Poland, as of yet there are none specializing in the fish trade. The traditional importer Rybex Co. Ltd. is still doing well. Other equally important contacts are the Polish fishing enterprises operating on the Canadian Pacific coast which also buy fish. The post in Warsaw knows of some opportunities for herring exporters in that respect.
